Eaton Parish Council

The current clerk will shortly be standing down and applications are invited for the post. The remuneration is £1,450 per annum for approximately 4 hours per week, including some evening work. Council meeting**

in Goadby Marwood
Village Hall, 7.00 pm

Cheaper Oil

Eaton Parish Council have received the following advert and are willing to collect the names of any villagers who would like to get together to order oil in an attempt to reduce costs and the number of tanks in our villages. If you are interested, please contact the clerk and she will put you in touch with other villagers who are interested in the scheme. This would mean that your details would be passed on to other villagers.

Please note that this is a private company and there may be competitors who also provide this service; the Parish Council are doing this in good faith to reduce the heavy traffic in villages but hold no responsibility and have no previous experience of this company.

BoilerJuice.com
THE SMART WAY TO BUY CHEAPER HEATING OIL

"Log on to Track Oil Prices:

"With oil prices fluctuating daily, those of us who use oil for home heating can use some help in understanding when is the best time to buy. People with access to the internet may be interested in a web-based service which provides information on oil prices, plus other useful energy news. The website shows oil price trends and plots changes each day so you can decide whether or not it is a good time to buy. It can also provide a quote for oil, and searches out the best prices in the area.

"As well as providing an information service, BoilerJuice.com is encouraging communities to buy their oil together and use their collective buying power to obtain bulk savings from suppliers. The added benefit of this is that the number of trips made by heavy oil tankers through our villages is reduced, as deliveries can be made to several houses in the same area on the same day.

"Further details at www.boilerjuice.com."

Thank you. Colette Stein, clerk, 01664.464823, Colette.stein@btinternet.com

Scalford Parish Council

Please also see the Scalford Parish Council website at:
www.leicestershireparishcouncils.org

The next
Parish Council meeting
 will be held on
 Wednesday, 8th November,
 7.30 pm in the School.

HEDGES

Parishioners are reminded that it is their responsibility to keep hedges alongside footpaths trimmed, to provide freedom of passage to all users of the paths.

If a hedge or bush on the boundaries of your property is overhanging a footpath, a trimming back would be greatly appreciated.

ALLOTMENTS

Scalford allotment holders are hereby notified that the annual rent will be increased with effect from 1st April 2007 from £6 to £10 per allotment (with a pro rata cost for half an allotment of £5).

With effect from the same date, new allotment holders will also be required to pay a £50 deposit, as an assurance that the allotment will be kept in good condition. In case of default, the money will be used to pay for tidying it up. Otherwise the deposit will be returned when the allotment is given up.

FIREWORKS It's that time of year again!

Two notices on the subject—the following from a village resident:

"Just a reminder to say that we still live in quite rural villages which have livestock of cattle, sheep and horses in them, as well as many cats and dogs. These animals get very frightened of noisy banger and whistling fireworks. So please choose your fireworks carefully and use them wisely, or better still, go to organised events, as they're much safer! Thank you."

Also, from SCALFORD HALL we have notification that there will be a firework display at SCALFORD HALL on the night of 4th November 2006. The display will conclude by 10.00 pm.

MOBILE LIBRARY Scalford

The mobile library times have changed. With effect from 30th October, the library will park in Church Street outside The Plough, once a fortnight from 3.40 to 4.10 pm.

THANK YOU

To everyone who gave gifts, bought raffle tickets or came along to the

Goadby Marwood Macmillan Coffee Morning.

The total raised was £285 for Macmillan Cancer.

A special thanks to all who worked before, during and after the event to make it so successful.

PARISH READING GROUP

We discussed "We need to talk about Kevin" by Lionel Shriver last month. This book provoked the most discussion at our reading group so far. The story is written as a series of letters to a separated husband from the mother of a child mass murderer in America. Kevin goes into his school and kills several of his class mates and others besides!

Most of the discussion revolved around the group's ideas about nature versus nurture in forming a person's identity. There was also discussion about the importance of the first few months and years of a child's life, the increase in the number of this type of school mass murder in America, and the roles of the parents in this particular case.

We couldn't come to a consensus as to whether the parents/upbringing were to blame in this case. We all thought this was an interesting, well written, but quite harrowing book to read and awarded 4 out of a possible 5 stars.

The Parish Reading group meets at Goadby Marwood Village Hall: please feel free to come along to our next meeting when we will be reading "The Kite Runner" by Khaled Hosseini on Tuesday 14th November, at 7.30 pm—then on Tuesday 12th December at 7.30 pm we will be reading "Portrait of a Lady" by Henry James.

There is a £1 charge to cover the costs of the village hall. Please contact Colette Stein on 01664.464.823 for further information.
