### 250th edition

I can't let this issue go by without pointing out that this is the 250th edition of the Village News, which started out as a single sheet distributed round Eastwell in January 1988, following the Rev Barry Irons' departure to Clun. Barry used to produce a monthly church newsletter while he was here, and this started off as a sort of continuation.

It has gone from strength to strength, and, as far as feasibility is concerned, has probably reached its maximum size. There is an up-date of the money situation on page 3.

### OCTOBER NEWS

#### Ref Telephone Boxes:

#### Eaton/Eastwell/Goadby Marwood

BT are offering Parish Councils the opportunity to adopt the red telephone boxes in their villages for a nominal fee. Once adopted the equipment is removed and the Parish Council becomes responsible for the upkeep and maintenance of the box. This allows what is a much loved item from our heritage to be retained and preserve the street scene of our villages. If the Parish Council does not adopt these boxes eventually BT will remove them anyway, and once they've gone, that's it. The Parish Council would very much like to hear the view of residents from all three villages on this; please let any Councillor know or contact the clerk on 016645 411705, or email [clerk@eatonparishcouncil.org.uk](mailto:clerk@eatonparishcouncil.org.uk).

#### The Big Switch Off—12th to 16th October.

## VILLAGE NEWS PRINTING COSTS

Thank you very much to all those organisations, clubs and individuals who responded to the fact that the money held for printing these pages had run out. Over the past month a total of £435 has been donated, which will pay for six months' printing.

The fact that the donations come from such a diversity of groups and individuals gives it the feel of being truly owned, supported and run by the people in these parishes.... which is probably why it works so well. It must be almost unique in that it enjoys the luxury of no accounts, audits, regulations, controls, unnecessary paperwork or expenses, which drown so many other things.

In spite of it occasionally being a couple of days late and the not-so-occasional errors creeping in, the Village News is supported by the whole community, and anything of interest in these villages can always be included.

## Clockwise

### Leicester's Credit Union Melton Mowbray Branch

#### Would you like to help run your local Clockwise Credit Union?

We are looking for members who would like to help run Clockwise Credit Union as a Volunteer. If you can spare time to help, please speak to Hayley or Teresa for further details, either in branch or telephone 01664 501762.

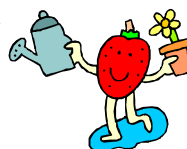

4 Market Place, Melton Mowbray,  
LE13 1XL (opposite Cafe Nero)

## EATON HORTICULTURAL SOCIETY

The Committee of Eaton Horticultural Society would like to thank all exhibitors and those who gave support in any way at the recent show.

The judges expressed their pleasure at the quality of exhibits, and it is hoped that others will be encouraged to take part next year.

We'll  
done  
to all.

## Old Scalford

There has been a request from Marion Wright for information about her great great uncle, Charles Johnson, who was a farmer and landowner in Scalford from around the 1870s until his death in 1910.

His wife's name was Sarah and they moved from their first farm in the village to a property in South Street, where they stayed until their deaths. Marion is wondering whether anyone would know if they were buried in Scalford churchyard.

Marion can be contacted on Marion-Wright<mw64@hotmail.co.uk.

## REVIVE

### Teenager?

Then read on .....

Revive is the name of the new Christian youth group for all young people aged 12 upwards. The group is being run by the local church and led by John Orridge, who has been involved in Christian youth work for many a year.

Together we will explore just who GOD is and where Jesus fits into it all.

What does it all mean for you? It's a chance to explore these questions (and any others you can come up with) in a relaxed and informal way.

We will also go on socials. The Christian youth scene at the moment is amazing! As an example, 10,000 teenagers go to Alton Towers each May for a day on the coasters, followed by a Christian rock concert.

Curious? Interested? Then give John Orridge a call on 01664 464 452.
