### Yoga Retreat THE ART OF RELAXATION

Yoga Nidra is a technique in which you learn to relax consciously. In yoga nidra sleep is not regarded as relaxation. People feel that they are relaxing when they collapse in a chair with a cup of coffee or an alcoholic drink, read a newspaper or switch on the television. But this is not real relaxation, simply sensory diversion.

True relaxation is an experience beyond this. For absolute relaxation you must remain aware, this is yoga nidra, the state of dynamic sleep. This day will look at the art of deep relaxation, starting with slow, gentle yoga postures and moving onto a short yoga nidra relaxation, a walk to re-energise and then a full yoga nidra relaxation.

The money raised was donated to Pablo's Horse Sanctuary.

**BELL RINGING**  
**Society of Framland Ringers**

On Saturday, 5th December, the Society of Framland Ringers held their annual Striking Competition at Eaton church on the delightful ring of six bells.

The competition allows the ringers (campanologists to the wider public) to demonstrate their skill, especially with regard to speed and spacing of the bells. With 18 participants, the three teams were drawn from a hat on the night. The groups then had only a short practice ring as a team before the competition started.

The judge from Kirby Muxloe congratulated all bands on the standard of ringing. The winning band included Nicole Swingler of Stathern, who has only been ringing for two years.

The evening concluded with coffee and mince pies, along with more ringing of the church bells.
