BEVERLEY'S SABBATICAL

On 5th September, whilst the excellent Barry Hill is speaking to the joint congregations at Waltham (go and listen to him if you can and you will enjoy and be challenged by what he has to say), David and I will be on our way to three months of journeying with God on a Sabbatical break.

Clergy can apply for a Sabbatical every seven years, but in 16 years of ministry this is the first one I have had. It is, as the name suggests, a time to get away from usual responsibilities, time deadlines and tricky decisions and get some Sabbath rest.

Rest takes different forms for different people and one of my early decisions was that this sabbatical should include time with my husband David, who has also worked tirelessly beside me in the church and in the hospitality of the Vicarage (and of course the garden at Waltham vicarage). He is taking time out from supply teaching and some unpaid leave from a school in Nottingham and for two months we are going off in our touring caravan to rural England.

EASTWELL CHURCH FLOODLIGHTING

During this month the church will be floodlit to celebrate the birthdays of

TIM PEDLAR on 9th September

KATE van DOORN on

18th September, and

PETE van DOORN on

24th September

and in memory of:

IRIS ROBINSON on

2nd September, and

ALAN BARNES on 13th September

Part of the time we will get more exercise, read the books we never got round to reading and listen for the still small voice of God. We are also going to look at small rural churches in villages like ours and see if we can find groups of worshippers who are making good sense of the call to have vision and direction at this present time of constant change and for the future.

We will be going to Cumbria, Herefordshire and Suffolk before coming back home. David will resume supply teaching and I will get my thoughts together, have a massive sort out in the house and finally go to Holy Island on retreat.

EASTWELL PCC MEETING Monday, 20th September 7.00 pm in the church

Shuna's On the Move!

I am delighted to report that I am now feeling fully fit and well – and many thanks for all your prayers and support over the last year or so. I am feeling so well, in fact, that I have signed up for the Leicester half marathon on Sunday 10th October ...I think I must be quite mad! I am raising money for Breast Cancer Care – I have a sponsor form/donations tin – or you can support me on line at <http://www.justgiving.com/shuna-george>.

Secondly, many of you will know that the George family is planning to move South to Dorset from next summer. It seems the right time to change – as Louis will be starting secondary school, and I will be starting my curacy – where exactly, I don't yet know – but hopefully some-

where near Bridport (Salisbury Diocese). This means, with God's help, I will be ordained in Salisbury cathedral in October 2011! I will finish my studies at the end of June, and then we will move over the summer.

I really thank God for how He has guided me this far, and I trust Him for the future, which will include some big changes, and ultimately some sad good-byes. Most of all I thank God for my healing, and for the fantastic medical attention I have had this last year. I have managed to do a little therapeutic painting over the months, and you can see some of the results on Youtube at this address: <http://www.youtube.com/watch?v=6vZLSAK5jp8>.

September is Older Persons' Month!

A series of events aimed at 'Listening to Older People' is taking place across the county throughout September. The launch took place in Leicester on 26th August.

**FRIENDS OF CHERNOBYL'S CHILDREN****PLEASE CAN YOU HELP?**

We are hosts for the Friends of Chernobyl Children's Charity (East Leicestershire). The children come to the United Kingdom from Belarus for a month a year for 5 years. The visit improves their life expectancy as well as providing a number of opportunities and experiences they would otherwise not encounter. The children are still affected by the Chernobyl Disaster which happened over 20 years ago. They eat few fruit and vegetables and drink little or no milk as in their country it is contaminated.

They come from very poor backgrounds. When they arrive in England they usually have very few clothes, often arriving with a small rucksack or even a carrier bag. There will be 10-12 in the group that comes in September this year. We are looking for donations of any autumn or winter clothes suitable for girls and boys between the ages of 7 and 10 that you or friends and family may no longer need.

For more information see the Friends of Chernobyl's Children website: www.focc.org.uk If you have anything that you, friends or family can donate please call me on 01664 444573 and I can arrange a collection.

Thank you—Katie Farrar
