PARISH COUNCIL MEETINGS

Thursday, 12th September at 7.30 pm in Goadby Marwood Village Hall

Thursday, 24th October at 7.30 pm in Eastwell Village Hall

Members of the public are welcome

Agendas and minutes are on the village notice boards Friday before the meeting,
 or on the following website, along with details of your local councillors:

www.leicestershireparishcouncils.org/eaton

Dog Warden—Fouling

The Parish Council is still receiving reports of loose dogs roaming around Eaton and Eastwell and the Council would remind residents it is their responsibility to ensure that dogs are not left to roam freely around the village. It is also the responsibility of owners to clear up after their dogs: it would appear some dog owners ignore this fact, which means dog owners in general are blamed. It is possible to report instances of dog fouling to the Borough Council anonymously - if a description of the dog and name and address of the owner are supplied, the Borough Council will follow up any reported instances.

PLEASE THEREFORE ENSURE THAT YOUR DOG IS ACCOMPANIED WHEN OUT AND PLEASE CLEAR UP AFTER IT.

Fundraising results

CREAM TEAS, EASTWELL

A huge thank you to everyone from far and wide who supported the cream teas during July in Eastwell churchyard. Donations in aid of the toilet/store appeal amounted to £258.00.

MARIE CURIE TEA PARTY, EATON

Heidi would like to thank everyone who helped lay on the tea to raise money for Marie Curie Cancer Care on Sunday, 18th August in St Denys church, Eaton. The flowers, cakes and general effort by all made for a very convivial tea party where £154.00 was raised. Thanks to all who came and those who helped.

SCALFORD VILLAGE AUCTION 2013

The auction raised just over £2,400.00 this year, which was a big increase on last time. Thank you to all those who helped collect the things around the village and environs, the lump men, those who assisted with catering and all of you who either gave things or bought items on the day.

I must single out Tubby Taylor, our auctioneer, without whom the event would not be the same, and Daphne Thornton, whose expertise in lotting-up makes the event so much easier to run; lastly my wife Jill Wade whose hard work behind the scenes and as cashier with Chris Talbot contribute to a successful day.

We will be back next year for the 36th time! Many thanks again to you all.

Many thanks to absolutely everyone who helped in any way to make this fete so successful - in spite of one of the most dismal day's weather forecast we've heard this year. Apart from the fact that this obviously discouraged some people from coming (numbers on the gate were low), we were extremely fortunate to be on the receiving end of only one 10-15 minute half-hearted shower during the afternoon.

In spite of the weather forecast, the fete did make a profit of £2,817.24 (plus £250.00 which was donated to the Village Hall). Detailed accounts are on the church notice board and inside the church, if you would like to see (or take) a copy.

I have been especially asked to say thank you to everyone who supplied bottles for the tombola; the response was great this year. By the same token, thank you also to all those who baked cakes.

A child's (?) grey hooded puffa-type jacket with light-coloured woollen sleeves and trim, was left in the Eastwell Hall grounds. Please contact 01949 861256 to arrange collection if this is yours.

SCALFORD CHURCH PROJECT UPDATE

The church project is now complete and the church up and running again. A very successful re-opening weekend was held on 6th and 7th July.

Since the last update money paid into the project account amounts to £422 from the spring quiz, £370 from the summer quiz, £120 from a donation and sale of a pew, and £324 from the Friday Club's bingo. A grant of £2,500 has been received from the Beatrice Lang Trust, and £1,000 from the Scalford Poor's Land Charity for the provision of the toilet in the church. Interim payments totalling £37,798 have been paid to the builders, and project management fees and archaeologist's fees paid. The fund at 30th June amounted to £28,837. It is anticipated that it will soon be necessary to take up some of the Diocesan loan to pay the remaining bills.

The PCC is grateful to all who have helped with fund-raising for this project so far, but very much hope the fund-raising will continue as there is going to be loan money to repay. Also urgent work is needed to the church windows. Every window has some broken glass and work is needed to the leading and in some cases the stonework. An assessment of the probable cost has been asked for.

Completion of this work will help to make the church more comfortable and energy efficient. The PCC's aim is to get the church in a good state of repair and try and deal with problems before they become large.

**Ride & Stride**

Saturday, 14th September
10.00 am to 6.00 pm

The Historic Churches Preservation Trust provides grants to churches of all Christian denominations for the repair of church buildings. A considerable portion of their income is raised through this Ride & Stride sponsored cycle/ride/walk. The idea is to cycle, ride or walk round as many churches as you are able to: half of any money you raise will go to a church of your choice, and half to the HCPT.

Your local organiser will have a list of those churches in Leicestershire who will be taking part.

Most churches are open for the day; many are manned and serve refreshments. If you would like to take part by cycling, riding or walking, please contact one of your churchwardens (contact details on page 14) who will put you in touch with your local organiser for a sponsor form and more information. Similarly, your local organiser would be delighted to hear from you if you would like to offer to man your church for an hour or two,

St Michael & All Angels, Eastwell

The church will be manned all day and refreshments are being offered. Also, this year Andrew Thorn has offered to cycle (maybe with his children) in aid of the church. If anyone else would like to cycle, ride or walk round, please get in touch with Jenny Barnes (860206). It can be a really fun day ... and it gives you the chance to see inside those churches which are normally locked, and meet and speak to lots of different people.
