**GENERAL NOTICES****JANET**

A huge thank you to Janet Allen, who has organised and distributed these pages in both Scalford village and the outlying homes for so many, many years.

I have checked through back copies: the first was for Eastwell in January 1989 - Eaton, Goadby Marwood, Chadwell and Wycomb were gradually added to the circulation, and the first issue to include Scalford was in March 1993.

At that time Janet began distributing it to the 200 homes in and around Scalford, and has continued each month ever since until she handed over to Doris Chamberlain two months ago.

Although Scalford has by far the largest distribution and area to cover, we also ought to mention here Geoff and Ann Knight who circulated the Eaton copies (136) since late 1989 until early this year; and Nina Clayton who began with the very first copy (January 1989), and delivered in Eastwell (80 copies) until a couple of years ago.

Doreen Ottiwell has covered Chadwell since the village was included (1991?) and continues to deliver it there; and Dave and Joan Gardner have delivered the Goadby Marwood copies for many years. Wycomb has changed over the years, but Richard Grieve has delivered it there for quite a few years now.

It is thanks to all these people that we manage to get a copy each month to every home in each of the villages, and also many of the outlying farms and homes. So - **MANY, MANY THANKS, both to Janet, others who have distributed long term, and those who continue to do so.**

**POPPY APPEAL, SCALFORD**

Penny Jackson will be collecting for the Poppy Appeal again in Scalford this year, starting on Thursday, 22nd October, until Thursday, 5th November. All donations are very much appreciated, no matter how small, for this very worthy cause.

We collected £298.38 last year - let's see if we can make it £350 this year! If I should happen to miss you when I call around, please call/text me on 07826 737541 and I will make sure I call round to you again.

## EASTWELL HISTORY GROUP

The Eastwell History Group AGM will be held on Tuesday, 20th October at 7.30 pm in Eastwell Village Hall. All members and friends of Eastwell History Group are invited and we hope to see as many there as possible. Paid-up members are entitled to vote on the various proposals put to the meeting. If you are not a member you can join on the night; the subscription is £10 per year.

The formal part of the meeting will be a relatively short event. We plan afterwards to hold an open general discussion where members and friends can have a say on how they would like the history group to develop in the future. We are conscious that much of the current effort has been devoted to the conservation of 'Lord Granby' and there are no doubt other areas that members and friends believe should be pursued with more vigour in the future.

We look forward to seeing you.

**I**t's **HARVEST THANKSGIVING TIME AGAIN**, and we are

reminded that we have so much to be thankful for - and at the same time our television screens are showing images that shock and confound us as thousands and thousands of ordinary people make the dangerous and difficult journey across the Mediterranean and across Europe in the hope of a better life.

It is easy to react on the extremes of emotion as we see vulnerable people caught up with others whose intent is profiteering for themselves. There is no ready or easy solution, and I don't know about you, but folks I have talked to are alternately worried, angry, compassionate and generous.

I was reminded of a story about a boy and a starfish - and I told this story at the school harvest festivals. You may have heard it before or not - love it or hate it, the story makes a good point and one that I find helpful at this time.

*Once upon a time, there was an old man who used to go to the ocean to do his writing. He walked on the beach every morning before he began his work. Early one morning, he was walking along the shore after a big storm and found the vast beach littered with starfish as far as the eye could see, stretching in both directions.*

*Off in the distance, the old man noticed a small boy. As the boy walked, he paused every so*

*often and as he grew closer, the man could see that he was occasionally bending down to pick up an object and throw it into the sea. The boy came closer still and the man called out: "Good morning! May I ask what it is that you are doing?"*

*The young boy paused, looked up, and replied: "Throwing starfish into the ocean. The tide has washed them up onto the beach and they can't return to the sea by themselves", the youth replied. "When the sun gets high, they will die, unless I throw them back into the water".*

*The old man replied: "But there must be tens of thousands of starfish on this beach. I'm afraid you won't really be able to make much of a difference".*

*The boy bent down, picked up yet another starfish and threw it as far as he could into the ocean. Then he turned, smiled and said: "It made a difference to that one!"*

We can all make a small difference if we choose to and many people making a small difference actually makes a big difference, and so we, in the Ironstone Churches, have hatched a plan. Our churches are offering themselves as collecting stations for monetary donations to help the refugees and asylum seekers.

*The donations given via the Methodist Churches at Stonesby and Scalford will be sent on via The Methodist World Mission Fund and the donations given via the Church of England Churches (Waltham, Stonesby, Eaton, Eastwell, Goadby Marwood, Chadwell and Scalford) will be sent via Leicester Diocese to Tear Fund and to projects connected to the Leicester City Churches.*

The appeal will run through October and anyone is invited to join in by putting their donation into a sealed envelope and then on to the collection plate at any church service or send in an envelope marked "Refugees" to The Vicarage, 23 Melton Road, Waltham on the Wolds, LE14 4AJ, or giving it to someone you know who will take it safely to church or give it to me. You can also give envelopes in at Waltham or Scalford School, but please label carefully "refugee appeal".

If you would like to send a cheque, could I suggest you make the cheque out to your local church and they will process it and send the money on within the appeal. Again, please make sure you put "refugees" on the envelope. *Maybe we could all go without something we like during October and give the money away.*

On 1st November we will be having a joint churches service at Waltham Church at 10.30 am with a guest speaker, Revd Pete Hobson who works with asylum seeker and refugees via Leicester Cathedral. I will ask him to do a Q and A during coffee time if there is enough interest. Let me know if you would like this.

Thank you.

**Beverley Stark** (Rector)
