DECEMBER NEWS

Parish Council Meetings:

Wednesday, 6th December at 7.30 pm in Scalford Primary School
Wednesday, 10th January at 7.30 pm in Scalford Primary School
Agendas and minutes are on the village notice boards the Thursday before the meeting, or on the following website: www.scalfordpc.org.uk

Traffic and Parking. The Parish Council are increasingly receiving concerns regarding traffic and are trying to address these issues. As residents, however, we can assist by being considerate, by not parking on pavements or opposite driveways and junctions, and by driving slowly. We appreciate that the majority of issues relate to non-residents, but with narrow roads and footpaths, anything we can do to ease problems for other residents will be helpful.

Dog Fouling of the paths in the village. Once again the Council is receiving reports of dog fouling on the streets and in particular Church Street and School Lane, which, as we all know, is **NOT ACCEPTABLE**. This in turn reflects on all dog owners in the village, so whoever you are, please do the right thing and clear up after your dog.

Telephone Box. The Parish Council are being offered the opportunity to use the telephone box for the benefit of the village, and are looking for suggestions as to what sensible use can be made of it. Normally these boxes are used to house defibrillators, but as there is already one at the King Arms, another use will need to be found. The Council would therefore be pleased to receive any suggestions that residents would like to put forward. Please contact any of the councillors listed or the clerk, details above.

Festive. The Chairman and Councillors wish all Parishioners a Happy and Peaceful Christmas and New Year and thank them for their input during the year.

Parish Council Meetings

2018: Monday, 15th January at 7.30 pm in Eastwell Village Hall

Members of the public are welcome.

Agendas and minutes are on the village notice boards on the Friday before a Thursday meeting and a Tuesday before a Monday meeting, or on the following website: www.eatonnpc.org.uk

Festive. The Parish Council would remind everybody now the long dark winter nights are here to make sure garden/allotment sheds are locked and secured, including garages and doors and windows. Christmas is supposed to be a time of peace and goodwill and yet there are stories of people losing all their Christmas presents because a door was left unlocked and an opportunist nipped in and helped themselves.

The Chairman and Councillors wish all Parishioners a Happy and Peaceful Christmas and New Year and thank them for their input during the year.

CHURCH OF ENGLANDwww.ironstonechurches.com**Letter from the Rector***Christmas Hope***Dear Reader of the Village News,**

As well as your regular copy of the *Village News*, this month you should also receive a *Christmas Hope* magazine. It comes to you as a gift from the local Ironstone churches, and we hope that you will enjoy looking at it. Maybe - like me - you will even learn some new things about the festive season, if you have a go at the Christmas Quiz!

Hope is certainly something that is in short supply at the moment. The daily news can leave us feeling anything but hopeful when we learn more about the awful state of our world, with all the conflict, suffering, and injustice. As we approach the shortest day of the year, even the daylight hours are often rather gloomy. In the face of all the mess and misery, darkness and despair, where can any real hope be found?

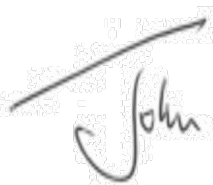

The **Christmas Hope** magazine introduces us to people who have discovered such hope in very different situations. Their stories are encouraging, inspiring, and hopeful. They point to Jesus as being the source of this hope - hope for us, and hope for our world.

Through the birth of Jesus, which we shall celebrate at Christmas, you and I are invited to discover what God's hope really looks like. This hope is not mere wishful thinking, not a 'pie in the sky' or 'whistling in the dark' kind of hope.

Rather, this hope is of a down-to-earth, flesh-and-blood kind - as down-to-earth and flesh-and-blood as the precious gift of a new life, in a baby born at Bethlehem.

For Christmas celebrates the birth of true hope, God-given hope in Jesus Christ. Such hope has within it the power to change our lives, and to transform this world. But in order for this to happen, we need to receive the gift, and get to know the Giver. In that way, the life-giving seed of hope will grow within us: and we shall discover a wonderful truth - the truth that, through Jesus, hope does indeed spring eternal.

Wishing you a hope-filled Christmas.

(John Barr, Rector)

SCALFORD METHODIST CHURCH

Letter from the Revd James Skinner

Dear friends,

December 3rd is Advent Sunday, marking the beginning of the three to four-week period of the Advent season running up to Christmas Day. These days, Advent passes most people by, as modern-day living puts all the emphasis on the Christmas festival before we reach Christmas Day.

However, to realise the full value of the Christmas festival we need to use the time in Advent productively. How might we go about this?

Firstly, Advent is a period of preparation for the Christmas festival, just as Lent is a period of preparation for Easter. It is a time for asking God's forgiveness for failings in our lives and an opportunity to make a new start.

During Advent we hear about the ministry of John the Baptist, who called on people to put their lives in order for Jesus' coming. The opening verses of St Mark's gospel indicate this (Mark 1:4-5).

Secondly, Advent is a time to prepare and think about Jesus' second and final coming, when he will come again in glory at the end of time to judge the world.

St Matthew records a vision of Jesus' coming in judgement in chapter 25 of his gospel. In this vision people are divided in two: those who have responded to God's call and shown it by caring for people who were in need, and those who did not.

Christmas is a festival primarily about Jesus' coming, bringing the message of God's hope for the world, which includes justice for all the world's people. This is something that does not sit readily with the commercial Christmas we are currently exposed to in the developed world.

Advent

Thirdly, as we light the candles on the Advent wreath each Sunday, let us remember the different people who prepared the way for Jesus' first coming: the prophets (the Jewish religious leaders) - who called the leaders of the nation to follow God's way; John the Baptist - who challenged the people of his time to put their lives in order to be ready for Jesus; Mary, Jesus' mother - who was ready to accept God's will for her life.

We can all learn from their lives as to how God may be challenging us to live our lives and the priorities we should be seeking for our church community.

As we enter Advent, may we have time to reflect and pray about some of these issues.

With best wishes for a Happy Christmas and New Year.

James
