As I have been asked frequently over the past 18 months when new advertising pages will come out, I've decided finally to sort some out, but to keep it simple: a 4 x A5 insert with four advertisements on each page (ie. a quarter A5 page each - altogether 16 advertisements). Enough will be printed to last a year, and they will be inserted each month in copies for Chadwell, Eastwell, Eaton, Goadby Marwood, Scalford and Wycomb: this obviously does not exclude anyone from Waltham or Stonesby advertising. The cost should be around £15 for the year, which means the advertisement cannot be changed in any way during that time. I already have about eight names on the list: as soon as the pages are full, they will be printed. If you'd like to advertise, please get in touch - contact details below.

Please may I have all items for March by:

Church Minister: The Revd James Skinner, 01664 482132

Contact: Stonesby - Jacky Speck, 01664 464 494

Hello everyone!

My name is Rev Sue Bradley and I've recently joined the Team of ministers in the Ironstone Villages Family of Churches. Some of you I have already met, and many I know from when I previously lived here between 1995 and 2010. On retirement last year I moved back into Eaton and am very happily ensconced in a cottage at the bottom of Church Lane.

In my previous life here I was a lecturer at Nottingham University, having qualified originally as a children's nurse. I left the village in 2010 to train for the ministry in Bristol; served as a curate in Glenfield, and then as a Team Vicar in the Woodfield Team in NW Leicestershire. That too was a multi Parish Benefice, so I am familiar with many of the joys and challenges of rural life!

It is for me a great joy to be back in Eaton, a place I love and regard as 'home' - and to be able to serve across the churches of the Team. I am a bellringer, am interested in local history, and have a springer spaniel, so I anticipate life being quite busy! I look forward to meeting many more of you over time.

With good wishes,
Sue Bradley

Letter from the Rector

Time's Paces ...?

Dear Friends,

While the process of Brexit continues to loom large, the future of planet earth is surely a far greater issue.

Extreme weather events are becoming increasingly common, and their impact is devastating. Think, for example, of the destruction being caused by the current Australian bushfire crisis.

Such events remind us - if we need reminding - that all is not well. Climate change is affecting both the natural world and our human environment. In the face of this growing crisis, what can you and I do if we are to be part of the solution, and not the problem?

This Lent (which begins on Ash Wednesday, 26th February), the Church of England's Lent Campaign *#LiveLent: Care for God's Creation* encourages us to reflect on how we care for creation.

Archbishops Justin Welby and John Sentamu commend it as "an opportunity for us to rebuild our relationship with our planet, and in turn with the God who is Lord of everything. During this time, we hope you might engage in prayer, learn more about the remarkable world we have been given and build habits that last beyond the season to protect and honour the earth".

Here in the Ironstone villages, how about joining me in using this resource? *LiveLent:*

Care for God's Creation (ISBN 9781781401675) offers 40 short daily reflections and suggested actions to help us live in greater harmony with God, neighbour and nature. As well as the booklet, we can receive the daily reflection, either by email or from the *#LiveLent app*. Do sign up!

LiveLent has been inspired and informed by the Archbishop of Canterbury's 2020 Lent Book, *Saying Yes to Life* by Ruth Valerio (ISBN 9780281083770).

If you decide to read this book, then I'd like to invite you to join me for coffee and conversation at the Vicarage (23 Melton Road, Waltham) on the six Saturday mornings of Lent from 10.30 to 11.45 am (29th February, 7th, 14th, 21st and 28th March, and 4th April) as we share reflections on what we've read that week, and look at some of the questions for discussion. If you'd like to take part, it would be helpful if you would let me know.

As you will see advertised elsewhere in the yellow pages, the next *Greening Framland* event also connects with this theme. *Recycle Right* will be taking place on Friday, 28th February, at 10.00 am in Thorpe Arnold Village Hall, and all are most welcome.

May you and I be encouraged to appreciate and cherish this planet earth, and to play our own part in saying 'yes' to life.

With all good wishes,

(John Barr, Rector)

Letter from the Revd James Skinner

Dear Friends,

The Book of Psalms in the Bible is a book to which many people have a strong affinity. This book contains just about the whole range of human emotion from sublime thoughts about worshipping God through to people's unkind and hateful thoughts about others.

The book has been a great source of inspiration throughout history and there are many hymns which are either based on psalms or where psalms are a starting point for them.

Modern living styles encourage us to live life at a fast pace, dashing from one thing to another. Spaces for being still and reflective are not usually part of the order of the day! In a previous appointment one church had a banner with these words:

Be still and know that I am God

Reflecting on new meanings for psalms drew me to a Japanese modern version of the Twenty Third Psalm, *The Lord is my Pace-Setter*.

I shall not rush.

He makes me stop and rest for quiet intervals.

He provides me with images of stillness

Which restores my serenity.

It is important that in our busy lives we do find time to be still before God - on Sundays, meeting with other Christians in Bible groups and in our own quiet moments. This does not mean that God is absent from us when we

are busy, but that there are times in our lives when we need to be still and listen to what God may have to say to us - and perhaps be surprised by what we hear.

With best wishes,

James

A Japanese version of the Twenty Third Psalm

*The Lord is my pace-setter,
I shall not rush.*

He makes me stop and rest for quiet intervals.

*He provides me with images of stillness
which restores my serenity.*

*He leads me in ways of efficiency
Through calmness of mind.*

And His guidance is peace.

Even though I have a great many things

To accomplish each day

I will not fret,

For his presence is here.

His timelessness,

His all-importance,

Will keep me in balance.

*He prepares refreshment and renewal
in the midst of activity by anointing my head*

with His oils of tranquillity.

My cup of joyous energy overflows.

Surely harmony and effectiveness

shall be the fruits of my hours,

For I shall walk in the pace of my Lord

and dwell in His house for ever.

Ironstone Villages Film Group is:

A Beautiful Day in the Neighbourhood,
starring Tom Hanks, Matthew Rhys and Chris
Cooper. We shall go on **Friday, 21st February**
for 6.00 pm. Lifts are available and we shall
book a table at Bellini's to follow the film.
Please let Paul Taylor know before 17th
February if you would like to join us: tel. 01664
444092, or email paul-taylor@gmx.co.uk.

*Many movies will make you laugh, weep or think.
But a very few will make you want to be a better
person. This is one of those films. Tom Hanks
portrays American television icon Mister Rogers
in a timely story of kindness triumphing over
cynicism, based on the true story of a real-life
friendship between Fred Rogers and journalist
Tom Junod.*

SPRING PROGRAMME****Elles Bailey Band**

Saturday, 7th March; doors open 7.00 pm *** SOLD OUT ***

The Grahams (+Band)

Saturday, 28th March; doors open 7.00 pm

The Grahams are a Jersey-born, New York-grown, Nashville-based couple, who have been performing together since they were teenagers growing up in the New Jersey suburbs. Alyssa and Doug burst onto the American scene in 2013 with their debut, Riverman's Daughter, which features songs written while travelling the Mississippi River and the Louisiana swamps in search of inspiration. Alongside the new album, the band have a brand new documentary, outlining their trip across America on a motorcycle. We plan to screen this prior to the band's performance.

Brooks Williams and Friends

Saturday, 18th April; doors open 7.00 pm

Brooks Williams - no stranger to Eastwell - is renowned as a fiery guitarist, a smooth-as-silk vocalist, and a stunning songwriter.

Aaron Catlow is a renowned fiddle-player and one half of the Bristol based duo with Kit Hawes.

Phil Richardson is a pianist who creates vibrant arrangements with an unassuming musicality and subtlety of taste.

It promises to be a very special evening.
