**Parish Council Elections - May 2023**

In May this year your current councillors' four year term of office will terminate and elections will be held. Your Council has six councillors and in order for the democratic process to work properly, it is imperative that more than six parishioners from the Parish of Scalford, Wycomb and Chadwell put themselves forward for election. This will then ensure that an election is held which allows parishioners to exercise their vote to select who they wish to represent them to look after the interests of Scalford for the next four years.

Anyone interested in becoming a parish councillor can discuss the role with the clerk who is available between 11.00 and midday every Wednesday in the office in the church.

## Letter from the Rector

### Let us pray ...

Dear friends,

Prayer is something many people do, even if they do not consider themselves to be religious. There is a sense that prayer connects us with a 'higher power', and that it makes a difference.

I well remember a conversation about prayer I had several years ago with a Christian priest from India. He told me how he was convinced that 'prayer changes things'. It reminds me of those words of the poet Tennyson who once remarked that 'more things are wrought by prayer than this world dreams of'.

Later this month, we begin the season of Lent. On Ash Wednesday (22nd) many churches hold services which include the opportunity to receive ashing - the sign of the cross marked on our foreheads with ash made from burnt palm crosses.

This richly symbolic act reminds us of our mortality, and also of our baptismal calling: 'Remember that you are dust, and to dust you shall return. Turn away from sin and be faithful to Christ'.

If you would like to take part in one of these Ash Wednesday services, there will be one in Waltham church at 9.00 am, and in Scalford church at 7.00 pm on Wednesday, 22nd February.

Prayer is vital, if we are to follow Jesus Christ. The Gospels tell us that Jesus Himself made times of prayer spent with God a priority, and

also taught His followers how to pray - including giving them the words of what we now know as The Lord's Prayer.

If prayer was so important for Jesus, then how important it should also be for Christians everywhere. Prayer changes things - including those who pray - as prayer deepens our relationship with God, aligns us more with the loving will and purpose of our heavenly Father, and empowers us to shine with the light of Christ.

This Lent, the Bishop of Leicester is making a Pilgrimage across the Diocese, in which prayer will be a central feature. This will include two days spent visiting different areas of the Framland Deanery (Saturday 4th/Sunday 5th March), and we are hoping that Bishop Martyn might be able to join us for the 10.30 am service in St Egelwin's Scalford on Sunday, 5th March.

Prayer around our parishes will also be a focus over the coming weeks. During every Thursday of Lent at 12.00 noon, there will be a short service of prayer held in one of the six Ironstone parishes - details are included in the service schedule for this month and next, and all are welcome.

With my love and prayers,

(John Barr,  
Rector)

## WALTHAM ON THE WOLDS SCHOOLS

### Waltham Pre-School

Well, last term went by with a blink of an eye; we learnt lots of Christmas songs, made lots of fabulous displays and took part in many different festive activities. At the beginning of December some of our children and staff took part in the Santa run with the reception children at school; this was to raise funds for the charity Rainbows. The children had a brilliant time and completed many laps around the playground. This term the theme is winter and we are discussing the different types of weather - ice, snow, frost and the cold, as well as what to wear to keep us warm.

### Waltham CE Primary School

Children in Holly class have been learning all about the Christian Faith. How they live their life, being part of a community and their promises to God. The children will be visiting Waltham church early this month to learn all about christenings with Revd John.

### Winter Prayer

*Lord, in the midst of winter,  
when the days are cold and wind can pierce,  
remind us of the warmth of your love.  
When the days are short, dawn comes late,  
and dusk arrives early, remind us that in the  
darkness your light still shines.  
When in our lives we feel dull and there is darkness,  
reach out to us that we may feel  
the warmth of your love and see your light  
that alone can take away the darkness of your soul.  
Amen.*

## GENERAL NOTICES

### TIME TO GET WALKING AGAIN!

With Spring on its way we start to think about getting out to walk in the beautiful English countryside again, but where to find new and interesting walks?

Walking in Leicestershire

<https://www.walkinginengland.co.uk/leics>

has loads of walks to download and print, free; it also has books of walks, details of all walking groups in the county and much more. Whether you want to walk on your own or with a group, all the information is in one place.

"There is much walking information on the web but it is difficult to find. Walking in Leicestershire (part of the Walking in England website) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you".

With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the websites and get walking!

NEW IDEAS?**

**At 7.00 pm on  
Thursday, 2nd February 2023,  
the Waltham on the Wolds and  
Thorpe Arnold Biodiversity Group**  
will be holding a meeting in the  
**Harry Hunt Room at  
Waltham Village Hall (GoadbyRd).**

Please join us to  
discuss ideas for  
promoting nature  
and biodiversity in  
the two villages.

In 2022 we received a £1,000 grant from Tesco for one or more projects involving the residents of both villages. At the meeting, we will decide the topic we want to work on, who is available to help and how to organise the project.

The chosen topic has to benefit everyone living in Waltham and Thorpe Arnold, be accessible to young and old, be practical and hands-on, be suitable for one person, a family or a group, be appropriate for homes, even those with only a small or no garden.

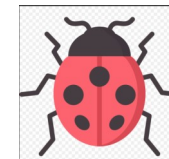

We have to conclude the project before the end of August 2023.

Come along and share your ideas!

plant sale  
and an auction**

Further details of the show are shown opposite,  
but more can be found in the separate attachment  
(as appendix 1 for those receiving these pages via email,  
and as an insert in the Scalford hard copies).

**FUTURE EVENTS****SCALFORD PRODUCE and CRAFT SHOW, cont.**

As we hope you are aware, a Scalford Produce and Craft Show is being re-introduced this year, 2023, after many years of not being part of the village calendar. Thanks to the hard of villagers in the past - to name all would be impossible, but remember Mrs Wright and Mrs Laughton as we prepare for times to come.

The organisers are working hard to start this event up again as a community get together and something which can be built on, and improved and enlarged, over coming years

In the church porch you will find further details on the noticeboard. The Triangle Facebook page will regularly give up-dates, as will the Yellow Pages.

The schedule of classes and terms and conditions are both now available - please see the attachment. Anyone may enter their own exhibit - friend, family, relation, next door neighbour or you from down the road. ALL WELCOME.

As part of the event, along with the classes for judging, there will be a stall for seeds, plants and produce, bring and buy, bring and swap, bring, buy, share.

**Refreshments will be available      Auction of produce  
And a 'Tree for 2023'**

*(grow a tree from seed and let's see who's is the biggest ....  
to be planted on as part of a 'Scalford Wood')*

In 2024 it is hoped to have 'Gardens Open' on the same day as the SHOW. Would you open your garden or allotment for folks to enjoy?

Do you, or somebody you know, enjoy flower arranging? A display in church is another idea.

... and, of course, more classes on the Schedule for judging ....

Please help where you can - a village day for all to enjoy. If you can help, please contact:

**Eastwell Unplugged - Saturday, 8th July from 1.00 pm**

On the heels of last year's successful inaugural event, we are pleased to confirm this year's version will be even bigger and better. The afternoon will feature performers from the local area. Plans are still underway, but it will again be free entry 1.00 to 5.30 pm and tickets - now on sale - will be required for the evening sessions. The two headline acts have been confirmed:

**Xander & The Peace Pirates**

"haunting riffs, genius melodies and a uniquely infectious charisma"

**Lauren Housley Trio**

"a deep connection to great songs, the craft of storytelling and an emotive vocal performance"

If you are a musician and interested in performing in public in a relaxed environment, or know of someone who might be, please contact Gary on 077742 097011 or [garywt2001@gmail.com](mailto:garywt2001@gmail.com).

**Govannen - Saturday, 25th February at 7.45 pm**

Local favourites **Govannen** are one of the best Celtic music bands in the UK, blending jigs and reels with traditional and contemporary Irish songs. The Govannen band members have a huge pedigree of work between them, playing with the likes of Martin Carthy, Peter Tork, members of Jethro Tull & Fairport Convention and many more. Founders Dan Britton and Chris Conway will be joined by Adele McMahon and Roger Wilson together playing an impressive array of instruments. It promises to be lively!

**Heartland Roots Band - Saturday, 1st April at 7.45 pm**

Brit-Country rockers **The Heartland Roots Band** specialise in big harmonies, anthemic sing-alongs, blistering guitars, crackling keyboards, and rock-tight rhythms. They have been awarded Group of the Year 2021 in both The UK Country Music Awards, and ARC Radio Music Awards, as well as twelve chart singles. Approaching two million Spotify streams, independent radio stations worldwide play their music on a daily basis.

**Ian Parker Band - Saturday, 20th May at 7.45 pm**

We welcome the Ian Parker Band back to Eastwell after a truly memorable show in June 2022. A songwriter genuinely literate, sometimes almost literary, Ian is an original craftsman. Expressed through a distinctive bitter-sweet vocal delivery, Ian's songs hold nothing back. His ability and willingness to share with his audience, naked honesty and genuine emotion, is what sets him apart. Ian approaches his music with the calm, self-assurance that accompanies one who has, to some extent, been there and done it. Nothing to prove and still so much to say, Ian Parker remains an act not to be missed.
