You may notice that this month's issue is slightly larger than normal: there are an extra four pages. Hopefully everything will fit into the usual number of pages next month, but meanwhile we are indebted to Print & Buy for taking on the extra work. Initially when they agreed to do it, there were only 3 double-sided A4 sheets; some time ago this increased to four, and this month we have five. So, Print & Buy, thank you very much indeed.

Also here, a special thanks to Edward of e-kit (see advertisement on page 14), who each month puts the Village News on the website. You may have noticed that some months it is available on the website before you receive it through your door!

Eaton Parish Council Meeting
Thursday, 8th November
Goadby Marwood Village Hall
7.00 pm

Parish Council meetings are open to members of the public; agendas and minutes are on the village notice boards the Friday before the meeting, or on the following website: www.leicestershireparishcouncils.org.

The parish councillors and their contact details are also on the website if you would like one of them to raise an issue on your behalf.

NOVEMBER NEWS

Eastwell. The Council has been requested to supply an additional Dog Waste Bin which it is quite happy to do, but where to locate is difficult to decide. We would therefore ask local dog walkers in the area for their views on the most appropriate place. It is also intended to replace the existing bin with a new one, and hopefully move away slightly from its existing position.

Eaton. Following a recent survey of the allotments, the Council has decided it needs to address the whole issue of allotments, as plot numbers and tenancy agreements do not tally up in some instances. Initially it is intended to put a numbered marker on each plot so we all know where we are: this will then be checked against existing tenancy agreements.

One of the things that was discovered by the survey is that some of the plots have not been cultivated or looked after, as stipulated in the tenancy agreements. All tenants (where applicable) are therefore requested to see that their allotments are brought up to a reasonable level of tidiness.

It is not the Council intention to make changes to the allotments, but it is their duty to ensure that the area is kept in a suitable and tidy condition.

Thank you.

EATON MEMORIAL BENCH

Many thanks for all the donations and help received over the last two months. This has enabled us to replace the bench and original plaque, in memory of HELEN McINERNEY, on the 10th anniversary. The bench is now in place for people to enjoy for years to come.

PARKING. Parking IS a problem, and the problem is getting larger. If you do have a parking area within your boundary, please use it and avoid parking on the street. There are many residents in Scalford who have no option but to park on the street. The new housing at the Old Dairy should not exacerbate the problem, as ample parking areas have been

provided on site.

DOGS—again! After some considerable improvement, the situation in the village has deteriorated, with two areas particularly bad: the Eastwell road (even by the dog bin!) and the bridge on the Jubilee Way. Please, please remember to carry a doggy bag and clear up after your pet.

PARISH READING GROUP

We discussed "The Inheritance of Loss" by Kiran Desai. The group was divided about this book with some people thinking it was great and others not managing to get past half way. It tells the bleak story of the fight for independence of the Gurkhas and the effects of living with insurgents bringing the local economy and rule of law to collapsing point. Weaved in amongst this is the unhappy tale of Anglo Indian life as well as living within the caste system and the plight of illegal immigrants from India to America. We couldn't agree a final star rating which ranged from 1 to 5.

The Parish Reading group meets at Goadby Marwood Village Hall, please feel free to come along to our next meeting when we will be discussing The Woodlanders by Thomas Hardy on Tuesday 13th November at 7:30. Contact Colette on 01664 464823 for further information.

IRONSTONE VILLAGES SMALL GROUPS

To compliment our Sunday Services our churches organise several small discussion groups meeting in people's homes throughout the area.

Some people enjoy going along as well as attending church; others find that attending one of the groups is their preferred way of growing in Christian faith.

All the groups follow the same programme. The material is provided and then the group run the sessions themselves with the help of a group leader. Each evening follows the same pattern allowing time for friendships to develop, a small act of worship and a challenge to take out into the week ahead.

The groups have been discussing the book of James and have been challenged to do something practical to help the poor in spirit, materially or even the poor in health.

In November/December we will do 4 sessions about life, death and eternal hope. These will finish with an any questions session directed at the clergy (help!!!)

All the groups are open for anyone to join and if you find you like attending then we ask you to set aside the time to come along for the rest of that term as often as you can.

If you think you might like to join, the following groups are meeting at the moment. They last for 1 ½ hours each session:

LAS PASADAS

Have you any room for Mary and Joseph to come and stay the night in your home?

Following a tradition which is loosely based on the Spanish Festival of Las Pasadas (the Inns) we are inviting anyone in the villages of Eaton, Eastwell, Goadby Marwood, Scalford, Wycomb and Chadwell, Waltham and Stonesby to sign up on a list to give hospitality for one night only to Mary and Joseph during Advent.

Mary and Joseph will actually be no more than 6 inches high and will arrive in a box with details of who they will need to be taken to the next day.

There will also be an Advent diary for you to write a short message in if you want to – you may put in where you displayed them, a prayer, a special thought or what you think they might have thought to your kind hospitality!

The boxes will be given out to the first names on the list at the Advent Sunday church service at Eaton at 10.30a.m and we hope that Mary and Joseph will come back to each village church on Christmas Eve or Christmas Day where they should finally find some shelter in a stable!

(If you come to one of our churches but don't live locally then I suggest you try to sign up for a Sunday picking up Mary and Joseph whilst you are in the area!)

You will need to sign the list at the beginning of November if you want a choice of dates. Each church will advertise around the village so that you will know how to sign up for a turn.

We have run the idea past people in the last two weeks and there is a lot of enthusiasm for this simple but meaningful way of celebrating Advent. Absolutely anyone can join in as long as you are willing to take Mary and Joseph forward on their journey to the next house.

BELVOIR FIRST AID

Belvoir First Aid says A BIG THANK YOU to the people and businesses of the Vale

Belvoir First Aid (BFA) would like to say a big **THANK YOU** to all those that have supported and helped us during the summer and have contributed to the purchase of our new Event Ambulance, in particular the people, businesses and parish councils in the Vale. The ambulance, a converted IZUZO trooper 4x4, has been commissioned at the Viking Challenge where it was involved in the recovery of a casualty. The 4x4 joins the first aid caravan treatment centre which was commissioned earlier in the summer, and which has been sponsored by B&H Midland Services Ltd.

Belvoir First Aid offers first aid cover in the Vale *free of charge* to village events and is always looking for support. If you can assist in helping undertake first aid, or can help raise funds, or even would like to sponsor some equipment, we would be

grateful for any support you can give. Please contact us via the web site at www.belvoirfirstaid.org.uk Illustrations show Belvoir First Aid at Garthorpe and the new 4 x 4.
