### JUNE NEWS

#### Parish Council Meetings

**Thursday, 30th June in Eastwell Village Hall at 7.30 pm**  
**Monday, 25th July in Eaton Village Hall at 7.30 pm**

Members of the public are welcome.  
Agendas and minutes are on the village notice boards  
on the Friday before the meeting, or on the following website.  
[www.leicestershireparishcouncils.org/eaton](http://www.leicestershireparishcouncils.org/eaton)

Eastwell Speeding Traffic. Following protracted discussion with Highways, the parish agreed to finance (between £3,000 and £4,000) various measures in an attempt to curb the speed of traffic through Eastwell. Work has now been completed on the installation of gates with speed restriction roundels on them and improved road markings.

Broadband. We can confirm that broadband provision in Eaton has been upgraded, but unfortunately Eastwell will not be improved until towards the end of 2017.

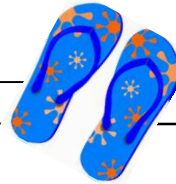

Parish Councillor Vacancy. To date no one has put themselves forward to join the Parish Council. We are looking for someone with an interest in the local community prepared to give two hours a month to attend Parish Council meetings.

### JUNE NEWS

#### Parish Council Meetings

**Wednesday, 8th June at 7.30 pm in Scalford Primary School**  
**Wednesday, 13th July at 7.30 pm in Scalford Primary School**

Members of the public are welcome  
Agendas and minutes are on the village notice boards Thursday before the meeting,  
or on the following website: [www.leicestershireparishcouncils.org/scalford](http://www.leicestershireparishcouncils.org/scalford).

Cemetery. Cemeteries are quiet places for sitting and thinking your thoughts. The Parish Council feel that Scalford cemetery could be improved in general appearance for those who visit and stay a while. There are several aspects which the council feel could be improved: the tree at the entrance and the grassed areas, for example. It also seems that some form of storage box could be put discreetly somewhere to house the plastic bottles that people need to use, to water flowers and plants on the graves. This would help to keep things tidy. The council will be looking into the best way to improve things over the coming weeks and any other suggestions would be welcome.

## VALE POLICING WITH PCSO PALMER

### *What is Domestic Abuse? How do Police deal with these incidents?#*

Domestic abuse can take place anywhere, not just at home, and research suggests that it is rarely a one-off event. Abuse happens more and more over a prolonged period of time, and in most cases will get more serious as time goes on. Abuse leaves those suffering to feel frightened, isolated, humiliated or ashamed, whatever the extent of abuse may be. It can include, but is not restricted to:

- Isolating victims from friends/family
- Monitoring their time (even in the bathroom)
- Monitoring a person via online communication or spyware
- Controlling where someone may go, who they see, what they wear, when the sleep
- Depriving access to support services, specialist support or medical support
- Controlling finances
- Threats to harm or kill the victim or another person (eg. child)
- Threats to reveal, share or publish private information

From December 2015 the law was changed to close the gap around patterns of forceful and controlling behaviour as domestic abuse. Police now recognise, record and investigate offences under section 76 of the Serious Crime Act 2015, namely any pattern of incidents of forceful or controlling behaviour, violence or abuse between those aged 16 or over in an intimate or family relationship.

Controlling behaviour is a range of acts designed to make a person feel inferior by isolating them from sources of support. This can deprive the victim of the means needed for independence, resistance and escape, and controlling their everyday behaviour. Forceful behaviour is acts of assault, threats, humiliation and intimidation or other abuse that is used to harm, punish or frighten their victim. This also includes honour based violence, female genital mutilation and forced marriage, and it is clear that victims are not confined to one gender or ethnic group.

*If you suffer from, or witness, any form of domestic abuse, please report it. Don't suffer in silence. Leicestershire Police are committed to dealing positively with all forms of domestic abuse and will support you through it, working closely with partner agencies. To report a crime, call Police on 101, or 999 if in progress.*
