## ST MARY'S CHADWELL & WYCOMB 2011 Calendar

11th June 2011, 7.30 pm  
Pimms Evening with the  
Cantare Choir

### *From the Revd Canon Beverley Stark:*

**H**appy New Year to all our readers! As I get older New Year, along with yet another birthday, comes by with startling speed. I cannot believe it's 2011. I've only just got used to writing 2010!

In all the local churches we are undertaking a project called 20/20. What will the church be like in 8 years time? Despite losing congregation who move or go into nursing homes or are 'Promoted to Glory' we have managed for the last few years to have stable attendance figures in all of our local churches.

Many rural churches are not so lucky, but congregations are getting weary of fundraising and building maintenance and despite very good financial support in several of our villages, none of our church buildings or indeed our church congregations is guaranteed to even be here in 2020.

Put alongside this situation a fast changing society in which regular commitment is difficult to find, and faith commitment for many is a step too far, and you can easily see why planning for Christian faith, life and presence and the continuing iconic presence of church buildings is being given such a high priority in our thinking and praying.

Of course you could say that this is  
...../cont.

nothing to do with you. But I do feel that if too many people say this, then church in our villages will mean a very different thing in 8 years time - and we will all be left wondering what went wrong.

What could you do to help? The church desperately needs all people of Christian faith to be actively involved in a faith journey in some way. How about starting this new year by getting our your diary or calendar and marking in it the Sunday each month when you will come to your church to worship - and if you are not sure about faith but want to help how about offering a couple of hours a month to help keep the ancient church building or churchyard in good order. Ring your local churchwarden if you would like to help.

When your number is up, you might find that when you meet with God in heaven he will be thanking you for keeping his church alive, and at that moment I promise you, you will be very pleased indeed that you learned to worship The Almighty in church on earth!

Thanks for reading this and please do help if you can. Here's to 2011 (another year older!)

## EASTWELL CHURCH

### Flowers

Over the past 12-24 months, the number of flower arrangers has dropped considerably, leaving only three volunteers on the present list. Is anyone in the village willing to be added to the list? It simply entails placing flowers in the window behind the high altar and cleaning the brass candlesticks and cross — the rota is done weekly, and with the present number of volunteers, this comes round more frequently than once a month. You don't have to be a professional to put flowers in Eastwell church, so please, please don't let inexperience prevent you from offering. (Tel 01949 861256)

The PCC would like to put on record how grateful they have been to Megan, who for the last few years travelled from Melton to do the flowers, and who was always on hand to help where needed. A memorial service for her was held in Eastwell church on Tuesday, 14th December.

### Tote

Similarly with the tote: with several members having left the village, the number has fallen to just below 80— which means we can only give out seven prizes of £5 each month. (It is illegal to give out more than half the total income in prizes). It would be great to have a few more members, as there are people who have moved into the village since the lists were made up. Membership costs £12 per year (£1 per month), payable annually, quarterly, or monthly. (Again, please telephone 01949 861256 if you are willing to make the numbers up).

## GENERAL NOTICES

### THE VILLAGE NEWS

Many, many thanks to all those groups, councils, churches, charities and individuals who have contributed towards the cost of printing the Village News during 2010. The total cost for the year is 12 x £65 = £780.

Donations were received from:

Eaton Parish Council  
Goadby Marwood Parish Church  
Scalford Methodist Church  
Eaton Horticultural Society  
Eaton Parish Church  
Scalford Friday Club  
Scalford Poor's Land Charity  
plus individual donations of £20.00

...making a total of £825.00

At the moment we have £340.00 in hand.

While there is space (not much seems to happen in January—probably even less than usual if this weather continues), the annual advertising pages are made up around Easter time. There are always requests to change these during the year, but as a whole year's printing is done in one go—to keep down the costs—they cannot be changed, so anything seasonal should be excluded.

On the other hand, the Small Ads are free of charge (although donations are always accepted), and can be changed from month to month .... but please let me know if they become out-of-date.
