ADVERTISING

This year's prices for advertising appear on page 4. If you'd like to advertise, or continue to advertise, please let me know as soon as possible.

As far as the colour option is concerned, advertisements will be taken as they come in: if we have too many for 4 x A5 pages, but not enough for 8 x A5 pages, then the ones received later will have to be black and white.

Please may I have all news for June by
Monday, 21st May, please

Prior to the meeting there will be a talk and demonstration on defibrillators. Please see below.

DEFIBRILLATOR FOR GOADBY MARWOOD

The Parish Council is hoping to be able to purchase a defibrillator to be installed in the telephone box in Goadby Marwood. This will, however, depend on how much money can be raised locally towards the overall cost. It is proposed therefore to have a talk and demonstration by a member of the Community Heart-beat prior to the meeting on 28th June in Goadby Marwood Village Hall where residents will have the opportunity to make a donation. The meeting is open to resident of Eaton and Eastwell, as it is hoped eventually to have a defibrillator in these villages as well.

GENERAL NOTICES

ADVERTISING IN THE VILLAGE NEWS

I now have the costs for the next year's advertising. There is a fair amount of interest in colour. The annual cost for a colour advertisement would be:

If we have 8 x A5 pages:	£100 full page	£50 half	£25 quarter
If we have 4 x A5 pages:	£110 full page	£55 half	£30 quarter

The colour printing will be done on white paper with a yellow border to match the other pages.

The annual cost for black and white advertisements:

£70 full page	£40 half	£20 quarter
---------------	----------	-------------

The only increase is for the half page: I've tried to keep the numbers as simple as possible while making sure we have enough to cover the printing charges.

Please let me have your advertisements as soon as possible: because of the time involved we may have to run these from August 2012 to July 2013 inclusive - missing out on July this year. I will also be asking for payment in advance this time, as it always messes my Barclay-card payments up trying to collect it after I've paid.

GENERAL NOTICES, CONT.**SLIDE SHOW

Michael Stanley has a slide show on the Grantham Canal, which he is willing to share with any group, club or organisation who is interested. Please contact him on 01476 879 289

**CLOTHES NEEDED
PLEASE CAN YOU HELP?**

We are hosts for the Friends of Chernobyl Children's Charity (East Leicestershire). The children come to the United Kingdom from Belarus for a month a year for 5 years. This is the group's 4th visit to Leicestershire.

The visit improves their life expectancy as well as providing a number of opportunities and experiences they would otherwise not encounter. The children are still affected by the Chernobyl Disaster which happened over 20 years ago. They eat few fruit and vegetables and drink little or no milk, as in their country it is contaminated.

The children come from very poor backgrounds. When they arrive in England they usually have very few clothes, often arriving with a small rucksack or even a carrier bag. This year the group comes in June.

We are looking for donations of any clothes suitable for girls and boys between the ages of 9 and 14 that you or your friends and family may no longer need.

For more information, see the Friends of Chernobyl's Children website:
www.focc.org.uk.

If you have anything that you, friends or family can donate, please call me on 07973 656152.

Thanks.

Long Clawson Surgery Patient Participation Group

Citizens Advice Bureau. The bingo night at the Plough, Hickling, was a great success and raised over £500! This has enabled us to open talks with the CAB to hold clinics at the Surgery on a monthly basis. Thanks to Caroline Samworth, who organised the evening, the Plough for hosting us and the many people who gave donations and their time to ensure the evening was a success.

Patient Support Brochure. A handy A5 brochure giving details of helpful services and organisations is available from the Surgery.

Making appointments and ordering prescriptions. This can be done online. Details from the surgery.

Bus transport. We have been trying to extend the bus service; in the meantime, please don't forget that Voluntary Action in Melton may be able to help if you have problems.

Prescription delivery. PPG members have been working with the pharmacy to arrange collection points for your prescriptions in various villages, including Stathern (which may be more convenient to some of these 'yellow pages' villages than Long Clawson). Further details when the service is up and running.

Don't forget that if you would like to contact the Patient Participation Group with any ideas or comments, you can email us at ppglcnp@GP-C82016.nhs.uk.
