## FUNDRAISING RESULTS

**EASTWELL FETE**

Thank you very much to everyone for all the support. Next year will be the 20th Eastwell Fete, so we'll have to try and make it extra special. It was set up initially to keep the church afloat financially, and—although it's certainly done (and continues to do) that—it is, hopefully, a most enjoyable event for most people.

This year there was a profit of £3,222.80: although almost as many people were there as last year, the profit was down by over £1,000.00. It was still, though, a very good result taking into consideration the economic climate this year.

If you would like a copy of the accounts, please 'phone (861256) and I'll drop one through your door. Otherwise there is a copy on the church notice board and a few have been left in the church.

**LONG CLAWSON  
MEDICAL PRACTICE  
IMPORTANT ANNOUNCEMENT  
Week beginning 22nd October**

On Tuesday, 23rd October, we are upgrading the software which we use to record and store your medical records. Your existing records will automatically transfer to the new system.

For the practice this is a massive change, and we all need to get used to the new ways of accessing, recording and filing your records. So for the few days following 23rd October, we are asking you, please, to be 'patient' patients!

We will be offering fewer appointments to allow the doctors and nurses time to get used to the new system, so we kindly ask that requests for appointments for routine matters be postponed until the following week.

During this period you will not be able to book an appointment on line via the internet, nor use the on-line facility to order your repeat prescription.

**REPEAT PRESCRIPTIONS**

**Monday, 22nd October to  
Friday, 26th October**

**During this week we will not be able to process any repeat prescriptions, so please make any requests one**

**week early.**

We are all excited—and maybe a little apprehensive—about the new system and would very much welcome your cooperation during the induction phase.

We do not envisage any reduction in the quality of the service we will provide that week—it might just take a little longer.

Many thanks,  
All at the  
Long Clawson Medical Practice

**LIVE BAND – PRIVATE PARTY**

Karen Thornally would like to give notice that a private party will be held at 41 Church Street, Scalford, on Saturday, 6th October, when a live band will be playing from 7.00 pm to 12.00 pm.

**HEAVY GOODS VEHICLES -  
SCALFORD**

In spite of the weight restriction in Scalford, HGVs frequently drive through the village, exacerbating the traffic there.

Residents are urged to use the facility on the MBC website to report any sightings of these. The information required is the date, time, vehicle registration, the direction of travel, and, if possible, the name on the lorry.

One such sighting has already been reported, and action has been taken by the police, who contacted the firm's transport manager. The transport manager has now arranged for all the firm's route plans to be re-directed away from Scalford village.

The police have said that if sufficient cases are reported, they will park in the village and stop any offending vehicles. Residents are therefore encouraged to lend a hand, in the expectation that traffic in Scalford can be reduced and traffic flow greatly eased, making the village potentially safer for both drivers and pedestrians.

If you don't have access to the internet, details (date, time, vehicle registration and direction of travel) can be passed to any member of the Parish Council (contact numbers on page 3).

## With Chocolate

Although most of the new advertisements have printed off reasonably well, the one on the lower half of page A6 has not. It was a well thought-out, well-designed advertisement, but somehow between my computer and the final print, things have gone awry.

The contact details are illegible and the remainder blurred. I'm sorry about this because the display could now give a negative effect, whereas the proprietors run a first-class business.

**VILLAGE NEWS**

I have asked for news/articles, etc., rather earlier for next month. This is because I very rarely get the copy to the printers in time so they can print it before the end of the month.

Ideally they should have it at least a week before to allow time for printing, collating and distribution. Therefore I'm hoping with the earlier deadline, there may be a chance of copies reaching homes before the beginning of the month.

On the subject of these yellow pages, I seem to be taking a number of calls asking for Sarah's number (who traded as Sarah Sew'n'Sew). She no longer takes sewing, but if anyone does, and is looking for more work, it may be well worth asking for it to be mentioned in these pages.
