VALE POLICING WITH PCSO LIAM PALMER

This issue I felt that the subject to discuss should be relating to **Cycle Safety**. This is in light of the upcoming summer months, school summer holidays and Vale cycling events.

Over recent months there have been a number of high profile incidents, with a very sad fatality here in the Vale. There has also been a very hard hitting video which appeared on Twitter of people in London having to physically lift a double decker bus off an injured cyclist. Although this does not relate directly to the area in which we live and work, it shows that the issue around cycle safety is country wide. The number of cyclists injured or killed on the roads has increased in recent years at a rate far greater than the increase in cyclists. Cycle safety is two sided, with emphasis on the cyclist and other road users evenly spread. Extra information can be found on the "THINK" website.

Top Tips on Cycle Safety

1. **BE VISIBLE TO ROAD USERS.** Wear bright or fluorescent clothing in daylight or poor visibility, and reflective clothing at dawn/dusk and night time. Always use lights in periods of darkness, or when weather is overcast or raining.
2. **WEAR A HELMET.** Protection of your head is vital for cyclists as it significantly reduces the likelihood of a head injury should you have a fall or be involved in an accident - but it needs to be fitted correctly.

AUGUST NEWS**Parish Council Meetings**

Parish Council meeting on Wednesday, 12th August at 7.30 pm
in SCALFORD VILLAGE HALL
Please note the September meeting will be held on Wednesday, 2nd September,
in Scalford Primary School

Members of the public are welcome
Agendas and minutes are on the village notice boards Thursday before the meeting,
or on the following website: www.leicestershireparishcouncils.org/scalford.

Speeding Traffic. The Parish Council is pleased to support local resident Jenny Scott, who is concerned about speeding traffic in the village and wants to set up a Community Speed Watch scheme. To do this Jenny needs to obtain signatures of residents who support this project. A form for signatures is available to be signed at both the Post Office and the Kings Arms Public House and from Jenny herself. Jenny will be more than happy to explain what is involved and can be contacted by email at:
jennyhighgables@hotmail.com or telephone 01664 444162.

Parish Councillors. It is with regret that we advise that Carol Hardisty has stood down as a Parish Councillor. We thank Carol for all her input whilst with the Council and wish her well for the future.

..... continued from the previous page "Vale Policing with PCZO Palmer"

3. **MAKE YOUR INTENTIONS CLEAR TO OTHER ROAD USERS.** Show drivers and other road users what you plan to do well in advance of any junction and when it is safe to do so. Also, making eye contact with other road users lets them know that you have seen them.
4. **AVOID CYCLING WITH HEADPHONES.** While out cycling avoid using any device that could distract you from the road and reduce your awareness of others, such as headphones or mobile phones.

It is against the law for cyclists to cycle through any red lights, including lights at a pedestrian crossing, and it is also prohibited to use pavements to travel on cycles (unless there is a sign showing that it is a cycle path).

Remember - Stay Safe and Enjoy Cycling!

SCOTTISH COUNTRY DANCING

A brand new Scottish Country Dancing club 'The Vale Scottish Dancers' is being launched this autumn at Eastwell Village Hall. For anyone who's interested in finding out what it's all about, we are holding a free taster session on

Thursday, 27th August, at 7.30 pm.

Our main aim is to have fun in a friendly and informal atmosphere, in the process exercising body and mind. Don't worry if you've never previously thought about taking up Scottish Country Dancing - we have trained, experienced and patient (!) teachers to help you on your way. Whether you come on your own or with a friend, whether you've never done it before or you are already experienced, you can be sure of a warm welcome.

Bring a pair of comfortable soft-soled shoes. Any casual lightweight clothing is suitable - you do get quite warm!

Weekly **Thursday** sessions will then follow, starting **3rd September, 7.30 to 9.30 pm.** For further information, please contact one of the following:

THANK YOU

Thank you to everyone involved in organising the **Tea & Cake event at St Denys Church, Eaton, on Sunday, 14th June**, and for raising £191.64 for School for Parents. It's a fantastic amount which will fund the cost of 4 sessions for one child and their parent or carer.

Daisy White with mum Donna White

We're a Nottingham-based charity that provides free support for babies and pre-school children with conditions such as cerebral palsy that cause motor disorders or motor development delay. We also run specialist projects to help children with Down syndrome improve their communication skills, and we give parents the knowledge, confidence and strength they need to cope with their child's disability and understand how they can help.

Your support means such a lot to us. Thank you. If you would like to know more about our work, please visit our website: www.schoolforparents.org.

AUGUST SERVICES

During the Leicestershire school holidays we are experimenting with a new pattern of worship services in our churches. Each Sunday one 10.30 am service will be held, to which everyone is invited. If you need a lift, please ask your churchwardens; they await your phone call.

There are also some community services around the villages and events for all to enjoy and a trip to the tiny Six Hills Church where David and I will be leading a Songs of Praise service, and you are invited to join us (phone 01664 464600 to let us know you are coming).
