Overgrown Hedges

The Parish Council has recently received several complaints from residents regarding overgrown hedges/bushes/trees obstructing public footpaths, making it difficult for pedestrians. We would therefore draw to the attention of all residents that if you have a boundary adjoining a public highway/footpath, it is your responsibility to see that any hedges and similar do NOT obstruct the footpath or highway. In the unlikely event that the Parish Council has to take action, it is empowered to have any work required carried out and to charge the owner of the property concerned.

Making Scalford Church more beautiful

Now that the installation of the new heating system is nearing completion and the work outstanding from the re-ordering project is done, the Parochial Church Council is considering spending a sum of money to make the church more attractive and visually appealing to both congregations and visitors alike. We have a few items already on the 'wish list', including new frontals for both main altar and communion table, and a new chancel carpet to replace the existing one, which has been down for a very long time and is rather the worse for wear. Other ideas are updating the list of clergy and providing better hymn book storage. Although we cannot guarantee to carry out all ideas as available funds are limited, we should like to hear from anyone who has thoughts about what would make the interior of the church smarter and more attractive. We should also be delighted to hear from those in our community who have artistic talent and might like to have a hand in drafting a design for the altar frontals.

If you think you would be able to help in any way, please contact:

Rev Canon Beverley Stark	01664 464600
Penny Clemons (churchwarden)	01664 444687
Helen McNamara (secretary to PCC)	01664 444673

CHANGES TO EATON'S POST OFFICE FACILITIES AT THE VILLAGE HALL

Lesley and Roy Holden will take over the running of our outreach branch from **THURSDAY, 10th SEPTEMBER, 11.00 am to 1.30 pm** (NOT Friday, as before).

They will provide:

- ALL postal services - cash withdrawals
 - bill payments - telephone top-ups
 - banking - foreign currency - health lottery
 - fishing licences - mail redirection
 - AND, in addition will have cards, sweets and provide a laundry and dry cleaning service at competitive rates.
- PLEASE USE THIS IMPORTANT FACILITY SO WE CAN ENSURE IT CONTINUES**

It would be lovely to see you on 8th September, but if you can't make then but are interested in joining in, please let us know your name and contact details. There will be a list in church, or you can talk to Penny on 444687 or 07443618746, or rnpclemons@hotmail.co.uk, or the Ironstone Churches office.

One idea is to do some stained glass work, another make a pillar banner, or hold a flower arranging sessions: ideas, thoughts, enthusiasm and the chance of helping and being helped to learn new skills. Whilst this might point to an invitation to ladies, there is nothing to say that gentlemen would not be very welcome too - some hidden talents out there could be very useful and interesting.

Summary of funds held

Last month's balance: £584.00
 Printing (September) £75.00
 Total at end of August £509.00

SOMETHING BORROWED, SOMETHING NEW

Back to school autumn blues - not to worry, there is a solution. Scalford is offering a 'crafty-sewing-chat-session'. You will have the chance to have a cuppa and slice of cake, talk to new and old acquaintances, sew or knit, crochet or nap. Other craft activities will be offered.

There will be a play area for children, AND with work in progress on the new heating system we can be nice and warm too!

The initial get-together will be held in church at 1.30 pm on Tuesday, 8th September, where ideas and plans can be discussed - but if more popular and useful, this could be an evening meet up. We could keep a Tuesday afternoon free for this CSCS once a month and meet some evenings too, allowing those who work to join in.

The only charge would be to cover the cost of heating.

A REMINDER

Although there is often no mobile reception in these villages, the emergency number 999 CAN still be dialled from your mobile phone, and responded to.

VILLAGE NEWS ANNUAL ADVERTISING

If you wish to advertise in the centre coloured pages next year, please get in touch as soon as possible. All advertisements will need to be in (SueWatford@aol.com) by 30th September to allow time to compile and print them.

I would hope to put them together during the first week in October, send them round for approval. Two comments:

- ⇒ I will need payment with the approval, please, as it took months last year to get all the money in, and
- ⇒ Please remember I'm no whizz at publishing, so the finished advertisement may not be quite up to Homes & Gardens. I have spent hours/days in the past trying to get some up to an expected standard, but I won't have time this year, as I'm away for a week in October.

The prices will be slightly increased this coming year, as the cost of printing had risen last year, but will not be more than £110 annually for a full page, £55 for half and £30 a quarter.
