Parish Council Meetings

Wednesday, 10th August at 7.30 pm in Scalford Primary School
Wednesday, 21st September at 7.30 pm in Scalford Primary School

Members of the public are welcome

Agendas and minutes are on the village notice boards Thursday before the meeting,
or on the following website: www.leicestershireparishcouncils.org/scalford.

Allotments

Whilst most tenants look after their allotments very well, there are one or two who do not, and this causes problems for everyone else with seed heads blowing everywhere.

We would remind tenants that it is a condition in the Tenancy Agreement that allotments have to be cultivated and kept in good order.

Parish Councillors.

VALE POLICING WITH PCSO PALMER

Over recent months the offence of Child Sexual Exploitation (CSE) has been highlighted in the press. CSE affects children and young people of all backgrounds and from all communities. It happens when people have power or influence over a young person and use this to sexually abuse them. This power or influence can be due to a person being older, of a different gender, a higher intellect, being stronger, or having a greater financial position amongst many more.

The child may be targeted due to a vulnerability which the offender can exploit. This involves the offender manipulating the child to get what they want, by offering something that a child or young person may want or need. This could be accommodation, gifts, cigarettes, alcohol or just a greater amount of attention. They may be singled out and targeted online, or face to face. Some children may have greater vulnerability and be more at risk, but no child is immune.

Some children can be groomed by the offender who will then introduce sexual activity through force, coercion, or by making the child believe that "it is part of the deal". Because of the length of time that some children are groomed, they may not realise they are becoming a victim or in some cases may blame themselves for becoming a victim.

For parents and guardians it is important that you remain vigilant around those who have access to your child, monitoring online access and physical access, and keeping an open dialogue with your child which will allow them to tell you if they are worried about anything that is happening to them. Demonstrate to your child that it is alright for them to say no. Explain to them what is classed as risky behaviour, such as communication on-line or meeting with people in person who

they do not really know. Also the sharing of personal information on-line can increase risk considerably and certainly images or selfies should only be sent to known and trusted contacts and should never be sexual or indecent.

Advise them that if they think something is wrong that they should speak to you or another adult they can trust, even if they have not been able to say no at the time. Look out for: unexplained gifts, changes in mood, going missing, staying out late, secrecy about where they are going, lack of interest in activities and hobbies, truancy from school.

If you are worried and would like further information, visit the NSPCC website which has a section dedicated to Child Abuse and can be found at www.nspcc.org.uk/preventing-abuse. The thinkuknow website also has information that is split into age groups as well as material for parents/carers and teachers - www.thinkuknow.co.uk.

As ever, to report a crime or discuss anything above with police, please call 101 or 999 in an emergency or if a crime is in progress.

Remember: what we don't know about, we can't act on!

HARVEST TIME

Ray Cook writes

"The Goadby Marwood PCC and congregation recognise the need to support the food bank in Melton Mowbray for those who are in financial distress.

Although we have a food box permanently in the church for gifts to be made by the parish, it was considered over the last two years that this should be boosted by the funds raised from the auction of the products after the Harvest Festival Service. The total amount made available over the two year period was approximately £340, and following each Harvest Festival, Barbara and I have arranged with the Food Bank representatives to meet us at Tesco's to tour the supermarket, in order that they can select the most appropriate produce needed at that time.

They are most keen to select items which could be split into various packets for a more wider distribution, together with prepared meals, tinned vegetables and desserts. They specifically did not want any baked beans because they have plenty of stock, as more people tend to give baked beans than any other product!

If anyone reading the above wishes to donate any item of food, then items such as Penguins or small chocolate rolls and biscuits are always very welcome for children, and tinned fruits, prepared meals and vegetables for adults. Items with a fairly reasonable life are preferred to those which have only a few days, or a week's life.

The representatives were very grateful for the donation, and other parishes in the group may wish to consider donating any of their spare funds towards this cause."

 those which were celebrated

STOP PRESS - CONFIRMATION NOTICE

There will be a service of Confirmation at STONESBY CHURCH on
SUNDAY, 21st AUGUST, at 10.30 am

We are extremely fortunate to have the Assistant Bishop of Leicester coming to take a service of Confirmation. Two young men from Stonesby have started finding out what this step of faith will mean for them. If there are any adults who would like to do a short course during the two preceding weeks in August, I will very happily run six short sessions in Waltham church. This will be the last opportunity to consider Confirmation locally until the new vicar arrives. But we will have fun!

If you are interested, I need to know as soon as possible,
but Sunday, 7th August is a definite cut-off date. Thanks.
Canon Beverley on 01664 464600 or Beverley.stark@btinternet.com.
