SOUTH STREET CAR PARK

The car park will not be available from Monday, 1st July, for a week or more to enable contractors to grade, level, mark out parking bays and lay tarmac. Once this work is completed, the car park will be reopened for public use.

There will be eight marked out parking bays - six for cars and two for vans. The two parking bays nearest the substation at the entrance are to be used by van owners, as they will be slightly wider.

This car park is provided for daily use on a first come basis and not for cars or vans to be parked up for lengthy periods to prevent other people using the space. The owners of any vehicle left for a lengthy period without use will be asked to move the vehicle to more suitable long term parking.

PLEASE NOTE THE PARISH COUNCIL ACCEPT NO RESPONSIBILITY FOR LOSS/DAMAGE OR THEFT OF ANY VEHICLE PARKED ON THIS CAR PARK

Letter from the Rector

'One small step … one giant leap' …

Dear Reader of the Village News,

Fifty years ago this month, a remarkable event happened. On 20th July 1969, Neil Armstrong stepped off the ladder from the Apollo 11 lunar module Eagle and onto the surface of the moon. 'That's one small step for a man, one giant leap for mankind', he said, as he became the first human being to walk on the moon.

President Nixon described it as 'one of the greatest moments of our time'. The Pope greeted the news by exclaiming 'Glory to God in the highest and peace on earth to men of good will!'

Due to the recent invention of television, the moon landing was seen all over the world. I remember watching the images on a black and white television at our home in Belfast, and I still have several newspaper cuttings from that day.

Yet I also remember how at that time some were sceptical about this amazing achievement, suggesting that it had all somehow been staged in a film studio. They simply couldn't believe that it was possible, and nothing and no-one would convince them otherwise.

However, there is another event which is even more mazing than the first moon landing. James Irwin, another astronaut who walked on the moon, said of this event that 'Jesus walking on the earth is more important than man walking on the moon'.

In Jesus, Christians believe that God has come in person to planet earth. And through His birth and life, teaching and healing, suffering and death, resurrection and ascension, and by the outpouring of His promised gift of the Holy Spirit, God in Christ has overcome the power of sin and death, and opened the way for us to share life with Him in God's Kingdom which knows no bounds of time or space. Life with God that continues beyond death, in a creation that is renewed in Jesus Christ.

Yet, like the response to the moon landing - many are still sceptical. How can it be possible that the immortal, invisible God who is the creator of the universe, can become frail flesh and blood, at a particular time and in a particular place?

Perhaps you may find yourself having doubts and asking such questions. If so, then - as with the moon landing - the best thing to do is to examine all the evidence with an open mind. And, above all, to consider the claim that Jesus who once died on a cross is now alive, the Living Lord of life and death.

For if the resurrection of Jesus can be disproved, Christianity will collapse like a pack of cards. But if it is true, then the 'giant leap' that God's love has taken for us in Jesus changes everything.

All good wishes,

(John Barr, Rector)

GENERAL NOTICES, cont.

WALTHAM MESSY CHURCH

We had great fun on Pentecost Sunday, making gyrocoptors, paper planes, banners, mobiles and icing biscuits whilst learning about Pentecost and the gift of the Holy Spirit.

We celebrated the church's birthday with cake and a bring and share meal at the end - good fun, food and fellowship had by all.

We are also pleased to say that, following the Toilet Twinning Appeal, we have been able to raise enough to twin one of our church toilets with a latrine in Choma, Zambia, Africa.

Messy Church and Café Church will be taking a break during the months of July and August, but watch this space and/or like/follow us on Facebook @WalthamMessyChurch for the latest information on summer events

WALTHAM CHURCHYARD TIDY-UP

Many thanks to Andy & Sally, David, Brian, Richard & Angela and Mike & Chris for all the weeding, chopping, brushing, edging and cutting down that was carried out last month round Waltham churchyard.

We managed to weed the French drains, clear the steps/entrance and one of the paths to Graveyard 2 and remove a lot of ivy from a few of the gravestones. The church looked a lot tidier afterwards.

Look out for the next date - all help welcome - do come along!

ROCK AND ROLL FOR RUBY

Thank you so much for helping to make our rock and roll evening such a fun night.
Along with some outrageous moves on the dance floor, there was a raffle, an auction, cocktails and food galore. The total amount raised for Ruby was an amazing £1,250.00.

"We are overwhelmed by the generosity and kindness shown to us by our fellow neighbours, not only on the night but before and after the event too. We have received gifts and donations by hand, through our letterbox and directly to Ruby's Just-Giving page on line. We really don't have the words to express our true appreciation". Gary and Ellen
