Earlier this year, when I was struggling to pray through the pain of a serious shoulder fracture, something that helped me greatly was a book by Pete Greig: "How to Pray: A simple guide for normal people".

Pete Greig is the founder of the now international and interdenominational 24-7 Prayer movement, and he has recently launched the Prayer Course, which I'll be running this Autumn.

It's an eight-week journey designed to help anyone - from absolute 'beginners' to life-long pray-ers - grow closer to God in prayer.

Each session takes its starting point from the Lord's Prayer, and goes on to explore the riches of different aspects of Christian prayer: whether that's enjoying God's presence in praise and worship; asking God for things in prayer and wrestling with the problem of apparently unanswered prayer; spending time with God in silence, tuning in to hear God's voice rather than doing all the talking ourselves; and how we can pray God's kingdom come in the midst of a spiritual battle.

**Starting on
Wednesday, 2nd October**
and running every Wednesday evening,
with the final session on 20th November

Nicky Gumbel (pioneer of Alpha and Vicar of HTB in London) writes in the foreword to 'How to Pray': "Prayer brings us peace, refreshes our soul, satisfies our spiritual hunger and assures us of our forgiveness. Prayer not only changes us, it also changes situations".

Anyone who is interested in discovering more of the life-changing power of Christian Prayer is welcome to join this course.

Please note that the first session on
Wednesday, 2nd October
will be in

**St Mary Magdalene Church,
Waltham on the Wolds.**

The other seven sessions will all be held in
**St Mary's Church,
Melton Mowbray**

7.00 pm for tea/coffee
Each session lasts one hour:
7.15 to 8.15 pm

It would help us to know numbers, so if you'd like to come along, please let me know.

The Revd Dr Mary Barr

Letter from the Revd James Skinner

Dear Friends,

The months September and October are a time of the year in which we are challenged to think about the relationship of the human race with the rest of the planet. The end of September/beginning of October is the time when church Harvest Festivals frequently happen - when we thank God for the abundance of creation in again providing food.

For some years, the third week of October has been marked as One World Week. Backed both by people of faith and of no faith, this week challenges us to work with others in caring for the earth and its resources.

During the last few weeks United Nations scientists have reported that we need to change the way we live, eating less meat and dairy and have a more plant and seed-based diet.

We also need to take other measures to reduce the amount of carbon being put into the atmosphere. Ways we could do this include planting more trees and changing the way we farm the land. This is necessary to ensure life will be possible for generations to come.

The effects of climate change are already being seen in many places around the world this year, not least in the United Kingdom, with flooding recently in Wainfleet, Lincolnshire, in Yorkshire in the North of England and causing the dam emergency at Whaley Bridge.

The Bible, particularly in the Psalms, speaks about the wonders of God in the universe (psalms 8, 104). It also reflects on the role people have in creation. Two views are put forward.

The first is that people are the height of God's creation, tasked with subduing and having dominion over it (Genesis 1:28ff). The second view recognises that people are part of God's creation; they are to live responsibly, becoming a blessing to the rest of creation in the same way that creation is a blessing to them.

Since the industrial revolution at the start of the nineteenth century, the human race, by the way it has lived, has had a profound effect on all creation. Now the human race is affecting the fragile balance which allows life to continue.

As we celebrate the fruitfulness of the earth again, let us also take action on the issues the One World Movement continues to highlight and many scientists warn us about - by adjusting our own lifestyles and challenging our political leaders to take the decisions which will enable our planet to be a place where all can share in its bounty.

With best wishes,

James

SCALFORD CHURCH WITHIN THE BENEFICE OF THE IRONSTONE CHURCHES SCALFORD PCC

Scalford, with Chadwell and Wycomb, church works very closely with the other churches in the benefice (Goadby Marwood, Eastwell, Eaton, Waltham on the Wolds and Stonesby) with our shared vicar and other resources. An office in Scalford church is being developed for administration work.

The benefice has also explored working with the Asfordby benefice and the West Vale of Belvoir benefice to share not only this space but also administrator's hours, and this will go ahead as soon as a person is appointed - first in a temporary office and then in the church once the necessary work has been completed.

Further, we have together looked at other needs, and with the closure of the chapel an obvious need arises for a meeting space within the village. The church here needs to be sustainable and used to greater capacity. The opening daily for the office work is a good start, but we have also explored using the space at the back of the building,

between vestry and servery, for a meeting room.

The area would be developed as a room with independent heating and lighting, but with the facility to open up the entire front wall to allow the space to still be used as part of the whole. This would be beneficial to the church, and our neighbouring churches, but also the thriving primary school which is very much part of this exciting idea, and often needs extra space.

With the chapel going, we can also offer other community activities a new 'home' and would welcome old and new groups, committees, and others to come and use this much loved historical building.

Your comments are invited and your interest in using such a space is welcomed. If you would like to know more, please come and meet us on Sunday, 20th October, between 3.00 and 4.00 pm in church.

Scalford	8.45 to 9.00 am;	Goadby Marwood 9.15 to 9.30 am;
Eastwell	9.30 to 9.45 am;	Eaton 10.00 to 10.15 am;
Stonesby	1.45 to 2.00 pm;	Waltham 2.15 to 2.30 pm.

MORE TEA, VICAR?

Around 80 volunteers and their families enjoyed a 'Thank you' afternoon tea party at Waltham church last month. It was a way of thanking everyone - from flower arrangers to tea makers, cleaners to church council members, Messy church helpers to Village News deliverers and all who

help in other ways - for their valued contribution to church life over Revd John's seven Ironstone churches.

Special thanks to Helen from Bakery Cottage (bakerycottage.com) who catered for us so brilliantly with her delicious selection of savoury and sweet delights.

All levels of experience welcomed - to take part in a Murder Mystery play being held on 15th November in Waltham church.

If interested, come to the read-through at church on Wednesday, 4th September, at 7.30 pm and see what you think. Can't make this date? Telephone Chris on 01664 464802/07712 467233 or Jackie on 07793 879733, or come to the next meet-up on Monday, 9th September at 7.30 pm at Waltham church.

PRAYER GROUP FOR DOVE COTTAGE DAY HOSPICE

Our local day hospice, Dove Cottage at Stathern, feels it is under pressure at the moment. Significant cuts have been made to its funding, ever tighter legal restrictions continue to be imposed and an increasing demand for the care it provides all make for a very worrying and difficult time. This hospice is run on Christian principles by a devoted team who would greatly appreciate prayer support as they face an uncertain and precarious future.

It is proposed to form confidential prayer group which would be informed of specific prayer requests from the Dove Cottage Chaplaincy Team via email and they would be asked to add them to their daily prayer lists. In time it may be appropriate to have communal prayer meetings but these would not be regular events.

If you would like to join this support mechanism for a valuable part of our caring environment, please contact Geoff Cawthorn (geoffaudcawthorn@aol.com - or ring 01949 861893).

SCALFORD AUCTION 2019

The Village Hall Committee would like to thank all the people of Scalford and surrounds for the items given to the auction, which this year raised £2,620.00.

**Eastwell Fete**

The PCC are indebted to everyone who helped in any way with this year's fete. If thought about too deeply in advance, the amount of work required to put it on is daunting, but somehow each year time, energy and money are given so willingly.

We can only say thank you again ... and again ... and again.

The most amazing thing about this year was that it rained all around us, but somehow Eastwell escaped, wrapped in its own little bubble..... and didn't we see the sun at times?

..... and the feedback has been excellent!

The accounts have not been finalised yet, but the profit is expected to be in the region of £3,700.00.

GENERAL NOTICES, cont.

Friends of St Mary Magdalene

**Friends of St Mary Magdalene,
Waltham on the Wolds**

We are launching a Friends of St Mary Magdalene charity this September. Our aim is to bring our 13th century Grade 1 listed church building and all its interesting facets to the attention of all in the village and to help protect and preserve this historical church for generations to come. This, needless to say, cannot be achieved without charitable help from the good people of Waltham.

We must stress this is purely about raising funds for the purpose of maintaining our Grade 1 listed church; all else quite rightly falls to the Church of England. This is about securing our key local historical feature for the future. Were it not here, it would cause serious detriment to the overall vista of the village of Waltham. St Mary Magdalene belongs to the whole of Waltham. "The Friends" will be a charity established to preserve this historical building within the heart of the village of Waltham.

To achieve all this we need funds, and so we will be sending out leaflets to all those in the village, requesting support. All funds raised will be used solely to support the maintenance, beautification and upkeep of this listed building, including the monuments, fittings, fixtures, stained glass, furniture, ornaments and chattels, thereby ensuring that this beautiful building stands proudly at its focal point in the village to meet the needs of the whole community for generations to come.

When you receive the leaflet, please consider supporting this venture and help us to fill the gaps other bodies cannot fill and prevent the loss of this important part of our local heritage. All supporters will not only help in maintaining this magnificent building but will also have the benefit of reduced entry fees to the fund raising events we will be running in the future. Of course, should you wish to be more actively involved in the operation of the charity, your input and association will be greatly and appreciatively received.

**SCALFORD CHAPEL
LUNCH CLUB**

The Scalford Chapel Lunch Club will continue in CHURCH following the closure of the chapel.

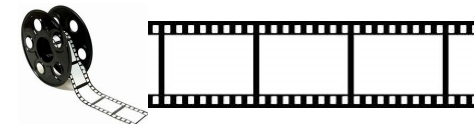

Dates will be as advertised:

18th October

15th November

13th December

It is hoped all, and more, will continue to come and enjoy!

**IRONSTONE VILLAGES
FILM GROUP**

A monthly gathering at the Regal cinema in Melton to see an early evening film followed by a meal at a nearby restaurant.

The aim is simply to provide an opportunity to watch a film and then have a chance to socialise over a meal. Transport would be by sharing cars and parking in the adjacent car park.

The day of the month would vary according to screenings. Membership of the Regal cinema is advised but not essential. The film to be seen would be chosen by consensus and involvement is entirely voluntary. Hopefully the details will be advertised in advance in the Village News.

Numbers are not limited, and everyone would be welcome to join.

'Four Lads who shook the World' -
that's what it says on a monument close
to Liverpool's famous Cavern Club.
This musical city has now produced
another group of 'world shakers' who
played for five years as the resident
band at the same club - **Xander and
the Peace Pirates**. With haunting
riffs, genius melodies and a uniquely
infectious charisma, the band display
their musical passion to standing
ovations. In 2014 the band went on to
support the likes of Joe Bonamassa, Joe
Satriani, Bon Jovi and Manfred Mann's
Earth Band.

*"This band are just awesome and take
me right back to my Old Grey Whistle Test days" - Whispering Bob Harris.*
