There were two known errors last month: firstly, Trevor's email address on the notice for walkers in Eastwell was incorrect (this month it's correct); and secondly the name of the landscaping firm should have read "JRK LANDSCAPES" and not "JFK LANDSCAPES". My apologies for both - and for any in this month's!

For those who have booked an advertising space and may be wondering how long it will be before they're printed, we have ten spaces of the sixteen available booked (but not all confirmed).

Please may I have all items for April by:

Letter from the Rector

Birthing new creation - the joy and pain

Dear Friends,

Last December, I wrote about our family 'great expectation' being the impending arrival of a first child to our elder daughter Rosie and her husband Matt - a first grandchild for Mary and myself. On Thursday, 13th February at 9.34 am, little Charles (Charlie) made his entrance into this world, weighing in at 8 pounds and 7 ounces.

Later that day (two days ago now, as I write this), Mary and I had the joy of meeting Charlie for the first time, and of taking it in turns to hold our beautiful grandson. We were in no hurry to hand him back to his Mum and Dad!

Last December, I wrote about how "the birth of a baby can remind us of the awesome mystery of our own existence - of just how precious, fragile and unique each life really is. It is a moment of 'awe and wonder' as we contemplate the gift and miracle of life".

As someone who was present at the birth of both our children, I saw how bringing new life to birth involves a painful and exhausting struggle for the mother. Birthing new life involves both suffering and risk as well as - thankfully in most cases - great relief and joy at the final outcome.

Later this month, on Mothering Sunday (22nd March), we remember those who have birthed us into life, those whose motherly love and

care has nurtured us, and we can give thanks to God who - as the hymn puts it - "from our mother's arms hath blest us on our way".

In the Bible, the image of childbirth is used to describe how God is bringing to birth a new creation through Jesus Christ. Jesus warned His friends and followers that they would experience an emotional rollercoaster over the 'labour pains' of His death and resurrection: "A woman giving birth to a child has pain because her time has come; but when her baby is born she forgets the anguish because of her joy that a child has been born into the world. So with you: now is your time of grief, but I will see you again and you will rejoice, and no-one will take away your joy". (John 16, 21/22).

Through Jesus, the birthing of God's new creation has begun. This birthing process too involves painful struggle for the whole of creation - as St Paul puts it, "the whole creation has been groaning as in the pains of childbirth right up to the present time" (Romans 8.22). Thank God, then, that "He has given us new birth into a living hope through the resurrection of Jesus Christ from the dead" (1 Peter 1.3).

With all good wishes,

John

(John Barr, Rector)

THE BISHOP'S LENT APPEAL

The Bishops' Lent Appeal 2020 will support the Together Leicester Cook and Eat project to help volunteers develop free cooking skills courses for people with limited access to fresh food and limited confidence to cook healthy meals. The appeal links with Bishop Guli's "Salt of the Earth" Lent Pilgrimage which will see her spending two or three days each week throughout Lent in different locations across the diocese. Various churches, schools and partner community projects will be involved.

Letter from the Revd James Skinner

Dear Friends,

The weather forecasters tell us it is almost Spring; meteorological spring starts on 1st March. Already there are many spring flowers out in bloom: snowdrops, crocuses and even daffodils. This year it does not seem we have had winter, apart from a snow shower last week and a few frosty mornings. Apparently, it has been 10°C warmer than normal in Moscow this winter.

My church calendar says Wednesday, 26th February, is Ash Wednesday, marking the start of the Christian season of Lent. The English word Lent comes from an old English word meaning "spring season". The Christian season of Lent is 40 days long up to Easter day, this year on 12th April.

Many hundreds of years ago Lent used to be a season of fasting. People would only have one simple meal a day, which was a shared meal, after evening worship, in the local church. There was one exception to this on Mothering Sunday, when people were allowed to break the fast.

This year, for five Tuesdays, starting on 3rd March, Churches Together in Melton will be organising simple soup lunches at the URC church between 12.00 noon and 1.30 pm. All are welcome and proceeds will be for Christian Aid and Cafod.

Today Lent is still a time for self-examination. Christians use this time in several ways: firstly, to think about Jesus fasting in the desert before he began his work of preaching, teaching and healing. Then to reflect on where they are in their own lives. Later on in Lent Christians use the time to prepare themselves to mark the events of Easter, remembering Jesus' crucifixion on Good Friday and his rising to life on Easter Day.

This Lent Christians have much on which to think, including some of the events that have occurred

recently. The news about record winter temperatures, with melting ice at the poles and rapid melting glaciers in the Antarctic, and the recent storms, Clara and Dennis, with destructive wind, rain and flooding, highlight how real the climate crisis is for people in this country and beyond. Scientists tell us much worse is to come with many more people being seriously affected in this country and around the world, if we do not change the way we live.

The Bible has much to say about how people should live and of their relationship with the rest of creation and with their creator. People are to live in a responsible way caring for the whole of creation. We must not just live in the way that suits us best.

Twenty years ago, I spent a week with the Iona community at their Iona island base. Included in our discussions was a session on how people live in the world. One contributor suggested people should live in a way that blessed the rest of creation, just as human lives are blessed by creation.

The early arrival of spring this year and the severe flooding in the United Kingdom in recent days is an alarm call for us to start to change how we live. Jesus, after his time of reflection in the desert, following it by action as he spoke to ordinary people and met their needs, proclaiming God's forgiveness and healing their illnesses.

We, too, after a short time of reflection, need to act - by living appropriately and caring for others, in order to ensure our world is a fit place to live in for years to come.

With best wishes,

James

**FRAMLAND DEANERY MULTI-PARISH ADMINISTRATOR**

We're looking for an Administrator to work with us across a group of several churches. This new role is an opportunity for someone with strong office and interpersonal skills to join us at an exciting time in the development of the Framland Deanery. Help us to set up a new office in Scalford where we'll expect you to follow and develop existing church systems and procedures, whilst ensuring professional, efficient and empathic communications across the Deanery and wider community.

Key aspects of the role include the use of Microsoft Office Systems to prepare service rotas and service sheets, maintenance and recording of baptism, marriage and funeral data and fees, management and use of photocopier, organisation of publicity for church events, and website maintenance.

You'll be happy to work without day to day supervision, and display strong interpersonal skills and sensitivity as you liaise with our clergy team and readers, lay supporters of the church, and members of the public enquiring about baptisms, weddings and funerals.

We expect you to have sympathies with the aims of the Church of England.

The role is for 12.5 hours per week; some flexibility may be possible, but our expectation is that you'll work 2.5 hours per day, Monday to Friday.

We offer an hourly rate of £9.00

For any queries, a full role description, person specification and application form, please contact Revd Peter Hooper, peter.hooper@live.com or 01664 812191. Completed application forms must be received by 4th April.

We look forward to hearing from you.

Association
