## Letter from the Rector

### Green Season....

Dear Friends,

At this time of year, the Church moves into the 'green' season of the weeks after Trinity. Green, because the altar frontals in churches are often of that colour. Green, too, because as we move from spring into summer, we are all the more aware of the greenery of trees and grass, hedgerows and fields. It's a good time of year for people with green fingers. Even those of us who don't have green fingers can appreciate the fresh green grass we may have to cut!

The colour green is also connected with the whole environmental agenda, from climate change to pollution, from waste to deforestation, from travel to sources of energy.

Each year, World Environment Day (WED) is held on 5th June. Started in 1974 by the United Nations, this international day of environmental awareness and action is hosted in a different country each year, with events focusing on a central theme. World Environment Day 2021 is being held in Pakistan, with a focus on the theme of Ecosystem Restoration.

If you and I are to play our part in caring for this beautiful but broken world, then we need to grasp the truth of our interdependence with the rest of creation, and to act as agents of environmental restoration, rather than ecosystem destruction. In his encyclical 'Laudato Si', Pope Francis offers this prayer for the environment ....

*All-powerful God, you are present in the whole universe and in the smallest of your creatures.*

*You embrace with your tenderness all that exists.*

*Pour out upon us the power of your love, that we may protect life and beauty.*

*Fill us with peace, that we may live as brothers and sisters, harming no one.*

*O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes.*

*Bring healing to our lives, that we may protect the world and not prey on it,*

*That we may sow beauty, not pollution and destruction.*

*Touch the hearts of those who look only for gain at the expense of the poor and the earth.*

*Teach us to discover the worth of each thing, to be filled with awe and contemplation,*

*To recognise that we are profoundly united with every creature*

*as we journey towards your infinite light.*

*We thank you for being with us each day.*

*Encourage us, we pray, in our struggle for justice, love and peace.*

With all good wishes,

(John Barr, Rector)

## Letter from the Revd James Skinner

Dear Friends,

This letter will be the last time that I shall be writing to you. In early July, my time in the Melton Mowbray Methodist Circuit will have come to an end and I shall be retiring and moving to West Oxfordshire.

We live in interesting times as a country as we emerge from the latest Covid 19 lockdown. Things will not be quite the same again, including for churches. However, this does provide us with opportunities for exploring new ways of working together, as well as the ongoing challenges of maintaining Christian witness and spreading the Christian message.

In the Bible readings appointed for the coming month of June, there is a series of readings from Paul's correspondence with the church at Corinth. The Corinthian Church was one that gave St Paul much joy but, at times, a lot of heartache too.

The two letters found within the New Testament section of the Bible from Paul to the Corinthians are thought to represent several letters written over an extended period. In them Paul deals with challenging problems that had arisen in the Corinthian church since he had left Corinth. In dealing with these situations Paul includes again how the good news of Jesus saves people and the role of Christians in sharing this good news with others.

St Paul's writings can be a great encouragement to us during present times as we work out what to do next. The first of these readings is on 5th June from 2 Corinthians 4. Just a few verses before the set passage, Paul says this:

*7 But we have this treasure in clay jars, so that it may be made clear that this extraordinary power belongs to God and does not come from us.*

**2 Corinthians 4:7**

As followers of Jesus, we have been entrusted with the important role of sharing the light of God's good news with our contemporaries. The most important thing is the message we bring, not the messenger.

We do not have to be anything special, just ourselves and faithful. We should be a means that God's message, which Jesus both lived and shared, can be made visible to others - [something which is particularly needed in these Covid times](#).

In conclusion, I would like to thank everybody in the Ironstone benefice with whom I have worked during the last five years. It has been a huge privilege to be able to work with you and I wish you all well for the future.

With best wishes,

*James*

**EASTWELL CHURCH FLOWERS**

As the church will now be open daily, we are reinstating our flower rota. Thanks very much to Judy for the flowers she has displayed in the church at various special times over the past 15 months or so. Annie will take the first two weeks of June, and Audrey the rest of the month - thanks to both for stepping in at the last minute.

**WALTHAM CHURCH**

We were delighted to celebrate Poppy's baptism, as well as Pentecost, at our outdoor service in Waltham churchyard in May.

As the forecast was a bit iffy, a group of us put up some 5 marquees/gazebos in order to offer some protection if the heavens opened. Fortunately, in answer to

our prayers, it stayed dry for the service, baptism and eating of delicious cake afterwards which Tasha and Tom kindly gave out to everyone.

We enjoyed being able to sing outdoors with a great live music background - thanks to Johnny and Revd Sue. Thank you too to all those who helped make the afternoon so special by putting up and taking down the tents .... And also to William, Poppy's big brother, who made sure the occasion went well.

Our next outdoor service is on Sunday, 20th June - Fathers' Day - at 2.00 pm. Please register with [wee3alexander@btinternet.com](mailto:wee3alexander@btinternet.com) if you'd like to come along. All welcome!

**W**e're looking for an Administrator to work with a friendly clergy team across a group of several rural churches.

This new role is an opportunity for someone with strong office and interpersonal skills to join us at an exciting time in the development of the Framland Deanery. ### Autumn Programme

With the real prospect of re-opening our activities, we have arranged a modest autumn programme to get things moving, all to be held at Eastwell Village Hall. So far, the following are in the diary:

- Wednesday, 29th September at 7.30 pm. A presentation by our favourite historian and re-enactor Jed Jaggard, all about **The Romans** and their local influence. This is the presentation postponed from March last year. We look forward to welcoming Jed back to Eastwell.
- Thursday, 11th November at 7.30 pm. A presentation '**All about Bees and Honey**' will be given by experienced beekeeper Paul Taylor from Scalford. Paul will talk about the history of beekeeping, honey and wax products.
- Wednesday, 24th November. **Eastwell History Group AGM** at 7.30 pm. This will be the opportunity for all members and supporters to have their say and hopefully put themselves forward to serve on the management team that keeps the group in existence. The team meets about six times a year and new members will be very welcome.
- The meeting will be preceded at 6.30 pm with a presentation of the village **defibrillator** by **Martin Fagan of Community Heartbeat**. Although the instrument has been in place for some years, it is a long time since villagers had a refresher on what it does and how it works. We very much encourage as many Eastwellians as possible to attend - *you never know when you might need it*.
- Saturday, 15th January 2022 at 7.00 pm. The annual Pub Quiz will be held, with a bar and light supper.

**LIVE@EASTWELL**

We plan to start up again in **October** when we will hopefully have had a bit of time getting used to meeting indoors. Three shows have been booked which we hope will appeal to a wide range of tastes.

**This is dependent on there being no Covid restrictions in place. In the event of cancellation all monies will be refunded.**

**MORGANWAY**

**Saturday, 9th October, 7.45 pm. Doors 7.00 pm**

Striking six-part harmonies, energetic rhythms, catchy songs and a fiercely formidable live act, Morganway have made quite an impression on the UK's rising Americana scene. Part country, part rock, with sprinklings of folk and something else entirely, it's not easy categorising the band's "delightfully unconventional sound".

With a British Country Music Award Nomination for UK Band of the Year, Morganway have caught the attention of Whispering Bob, and they have been described as "One of the best and most exciting prospects to emerge in a long time".

**CONNOR SELBY**

**Saturday, 30th October, 7.45 pm. Doors 7.00 pm**

Connor Selby is a rising British star in the traditions of Eric Clapton and Peter Green. He has already performed with his band at Wembley Stadium, at the age of 22, at the behest of The Who.

Voted Young Artist of the Year in the 2020 UK Blues Awards, **Connor** and his band played a memorable gig in Eastwell in February 2020 and it will be great to welcome them back.

**NOBLE JACKS**

**Friday, 26th November, 7.45 pm  
Doors 7.00 pm**

With the fiddle leading the charge, **Noble Jacks** are out to take no prisoners with their high-energy footstompin' rhythms, which have taken crowds by storm across the UK.

Hailed as the finest purveyors of folk-influenced Americana, the band were invited to showcase at **Americana Fest** in **Nashville, USA** where they went down a storm. Those who were at the February 2018 gig in Eastwell still talk about how special it was, so we are delighted that Noble Jacks are returning. To enhance the atmosphere there are standing as well as seated tickets available.

## EASTWELL CHURCHYARD

We have some new bird boxes for the churchyard: the large one is for tawny owls (with a perch for the fledglings to fly from); the other green one is for hedgehogs; then there is a bat box, and four boxes for smaller birds.

We now just need to organise where and how they can be put in situ.

Should anyone wish to enquire about any, please contact Barbara Guntrip (of Branston), telephone number 01476 879065 for details of availability, design and prices.
