As we (hopefully!) continue to emerge from lockdown restrictions, to something resembling pre-pandemic life, it would be good to try and ensure that everyone who would like one, receives a copy of these pages each month (either via email or hard copy). Many thanks to all those who have been helping to organise the distribution in their respective villages for the past 21 months.

This month a brief, tentative list of village contacts appears on the back page - I'm reluctant to include more this month, as names may well have changed, so if anyone could bring me up-to-date on any of the groups which used the yellow pages, that would be great.

Similarly, if anyone is associated with a group or club within these parishes, and wishes to advertise an event, please get in touch (contact details below).

## Letter from the Rector

### Lamenting loss ....

Dear Friends,

As we consider the present state of our world, there is much to lament. All over the world the present pandemic continues to wreak havoc, especially amongst the most vulnerable.

Many are also suffering as a result of human violence and conflict, greed and injustice.

And it is not just people who are suffering - as the COP26 Conference in Glasgow makes clear - climate change is having a profound impact on all the inhabitants of planet earth. Our world is experiencing loss in so many different ways.

During this month of November, we also remember the loss of lives dear to us on All Saints Day and All Souls Day. Later in the month, on Armistice Day and Remembrance Sunday, we remember the loss of millions of lives laid down in the service of their country in conflicts past and present. As we think of how so many young lives were sacrificed in time of war - the flower of different generations prematurely cut down - we lament the abiding loss that this represents.

Lamenting loss is important. In doing so - by whatever way in which we give expression to our sense of loss - you and I acknowledge that we are part of a broken and suffering world.

As St Paul describes it in his Letter to the Romans, we share in creation's present state

of "groaning as in the pains of childbirth". But as we lament, do we do so in despair or in hope?

I wonder if you've come across the Old English word "respair"? It means "the return of hope after a period of despair". In the Bible we find many examples of how lamenting loss in prayer helps those who are suffering to make the journey from a dark place of pain, fear and sorrow to somewhere where the light of hope can get in.

Christians believe that the light of this hope shines for us and our groaning world in Jesus Christ. As we look to Jesus, and remember His own suffering, death and resurrection, so we receive assurance that God is never distant, and shares in our lamenting of loss.

For in Jesus Christ, God shows us that suffering and death is not the end - either for us, or for this beautiful but broken world. In St Paul's words, through Jesus Christ we are given "hope that the creation itself will be liberated from its bondage to decay and brought into the freedom and glory of the children of God".

With all good wishes,

(John Barr, Rector)

Many of you will know and remember John and Jill Edmond who lived in Stonesby, were active members of our worshipping community here in the Ironstone Benefice and moved to Beverley, Yorkshire, a little over two years ago. Jill was churchwarden at Stonesby and, as well as joining in with services, they both took part in our Alpha course in 2018.

Shortly before they moved, John started Reader training here in Leicester Diocese, and he completed his training in York Diocese earlier this year.

Chris and I were delighted to be able to join Rev Canon Beverley and David Stark (both formerly of this Benefice too) for a train trip north from Grantham to York on Saturday, 16th October to see John formally licensed and authorised as a Reader. The service was carried out by the Dean and took place in the magnificent setting of York Minster.

John is part of the ministry team at St Mary's church, Beverley, where Jill is also now a churchwarden. It was lovely to catch up with John and Jill over lunch afterwards. I am sure you would all want to join us in wishing them both well in their respective ministries.

**Bees and Honey**  
 Our next open event, the *Bees and Honey* presentation by Paul Taylor, falls on Remembrance Day, Thursday, 11th November at 7.30 pm.

Due to a previous booking, Eastwell Village Hall is not available for the short 'homily' which usually takes place there on Remembrance Sunday. In the light of this, Paul's presentation will be preceded by a period of respectful reflection and will thus commence a few minutes later than scheduled.

We look forward to seeing as many of you as are able to join us.

**Annual General Meeting**  
**Wednesday, 24th November - Eastwell Village Hall at 7.30 pm**  
 As we have said earlier, we will welcome anyone who would like to take part in the running of the group. The commitment would be only as much as you are prepared to give, though it would be nice to share some of the load. Nominees and volunteers will be accepted and welcome on the night.

This will be preceded at 6.30 pm by a demonstration of the purpose and use of the heart defibrillator currently located in the old phone box in the centre of the village. Please try to attend this demonstration - you never know when you might need it.

**COME AND TRY SCOTTISH COUNTRY DANCING AT WALTHAM!**

If you have been to a Scottish wedding, a Hogmanay party or a Burns Supper, you may have tried Mairi's Wedding or The Dashing White Sergeant. If you enjoyed the dancing, why not come and join us. Scottish Country Dancing is an excellent way to stay fit, and exercise the mind as well as the body, while enjoying fun at the same time. We meet in Waltham Village Hall on Thursdays, 7.30 to 9.30 pm. You do not need a partner and there will be plenty of experienced dancers to help you begin.

**MACMILLAN COFFEE MORNING**

Please join us for a real cup of coffee or a pot of freshly brewed tea, the daily newspapers, croissants and toasted teacakes.

**Saturday**  
**November 13th 2021**

We are always on the lookout for dancers who may have moved to the area or find they have time to dance again, or for beginners to come along to learn and enjoy. All you need to begin is a pair of soft shoes; men do not need a kilt!
