EATON POST OFFICE

Sadly, there will be no Post Office in Eaton with effect from Thursday, 17th March, as Roy and Lesley will be retiring. It has been great having this facility in the village, and it will be missed, not only by Eaton residents, but those from other villages who have used it.

It is hoped that the Post Office will be able to find a replacement, but things don't look particularly optimistic at present.

Please may I have all items for April by

THE VILLAGE NEWS (aka these 'yellow pages')

PART ONE: Cost of Production (part two, see page 4)

The yellow pages are shaking themselves down after the inconvenience of the past two years, and are now being printed again on the church's photocopier. It has been agreed that the church will underwrite the cost, but any donations would be most gratefully received.

These can be sent by BACS transfer in favour of the Ironstone Benefice Family of Churches; sort code 20-63-66; account number 50650986; reference yellow pages. If you'd like to donate but would prefer to do so using cash or cheque, these can, as in the past, be sent through me (contact details at the bottom of front page).

As far as the villages of Chadwell, Eaton, Eastwell, Goadby Marwood, Scalford and Wycomb are concerned, since its inception in 1989, copies of the Village News have been paid for voluntarily by the Parish Councils, village halls, churches, local clubs and organisations and also individuals. The support has always been amazing - and quite an achievement! So a huge thanks to everyone who has helped - hopefully the church will continue to receive donations to help offset the cost.

 PART 2: Distribution**

Prior to the pandemic, copies of these yellow pages were distributed to each home in each village. However, thanks to Covid, distribution has been limited recently. During the pandemic the main bulk has been sent out via email, with hard copies being delivered to those who asked for them.

While there is no wish to burden anyone who would rather not receive them with a hard or email copy, it would be good to be able to ensure that everyone who would like a copy has one.

If you have not been receiving one but have managed to pick up a copy somewhere (maybe in the churches), and would like one, please let me know (contact details at the bottom of the front page). Equally, if you have been receiving one via email, but would prefer a hard copy, please ask for one.

Yvonne Lyon and Arcelia -

Friday, 25th March

An evening of beautiful songwriting and folk harmonies. Recognised for her poignant lyrical sensibility and soaring melodies. Yvonne's voice can be both fragile and intense. 'Just stunning music', Bob Harris, BBC Radio 2.

Laura Evans -

Friday, 29th April - *NEW DATE*

Laura's flawless vocals are the real deal and her songwriting skills have allowed her to push the boundaries of the Rock & Blues genre, honing her own modern yet vintage sound with hints of Fleetwood Mac meets Larkin Poe. She is no stranger to Eastwell, having made a huge impact supporting Elles Bailey in March 2020. She will be accompanied by her full band.

Son of Town Hall - Saturday, 7th May

Imagine if Simon and Garfunkel were lost at sea, salt in their beards, wind at their backs, and whiskey in their bottles. What songs would they sing whilst stomping like melodious madmen on the boards of their boat? The show is three-parts concert, one-part theatre. Superb musicianship, exquisite harmonies, Victorian-era outfits, meditations about the sea and songs.

Ian Parker Band - Saturday, 18th June

A consummate blues musician, Ian's ability and willingness to share with his audience, naked honesty and genuine emotion, is what sets him apart. Expressed through a distinctive bittersweet vocal delivery, Ian's songs hold nothing back.

Turbo-charge your grass-roots ideas in 2022

NHS VALE MEDICAL GROUP
PATIENT PARTICIPATION GROUP
 For Long Clawson and Stackyard Surgeries

Your suggestions for 2022

Fire up your engines and buckle up your seatbelts as 2022 could be your year to make the change you've always wanted, thanks to a **new £2m grant** scheme for healthcare in Leicester, Leicestershire and Rutland.

How often do little things get in the way of your doing the very best for patients, staff or your community? Are you fed up hearing people say 'if only we had ...' or 'if only we could ...'? Do you see things that need changing but don't know how to take action? Or have you been told there's no money available for your idea that you know will make a big difference? Our new £2m Project Launch Fund aims to tackle this head on, turbo-charge your ideas, blast away any barriers and propel your dreams to Planet Success.

Whether it's for an environmental improvement to a building/patient area, for equipment, training or ways of transforming the way things work, every small idea you have can make a big difference. Nicci Briggs, Director of Finance for the LLR ICB, said: "We want to get 2022 off to a great start for our patients and colleagues by launching an exciting new £2m fund to help people make their bright ideas for change a reality.

Little things make a big difference

'Only you know what will really make the most difference. Often the little things can make the biggest difference, so we want to hear from anyone, in any role, as every idea counts'. Some great examples of grass roots ideas include: new skylights that bring natural light into a windowless dementia ward to revolutionise day to day life for patients; an activity focussed wheelchair group to improve wellbeing and quality of life through exercise; and an app and dedicated nurse to raise awareness of tissue donation at the end of life.

The fund is for bright ideas with a long-lasting, sustainable impact and is open and available to anyone working for the NHS and voluntary sector health organisations in Leicester, Leicestershire and Rutland. The application process is very simple - no long forms or complicated entry requirements. Simply share your bright idea on our website and tell us about the positive difference it will make.

Decisions will be made on a fortnightly basis so that fantastic ideas can be put into action right away, with access to specialist project and development support to help you on your way to success. The scheme will remain open until the funding is fully committed - so don't delay and launch your big idea off to us today before the money runs out. Letter from the Rector

Answering God's call ...

Dear Friends,

We are living in testing times. As we navigate our way through - and hopefully soon out of - the pandemic, we now find ourselves being confronted with other challenges.

For example, rising inflation has affected the cost of food and fuel, and many households on lower incomes are facing real food and fuel poverty as a result. This means that some are having to make an awful choice between whether to eat, or else to keep warm.

Choices are not always easy to make, are they? Sometimes factors beyond our control really limit our choices, as is the case for those faced by food and fuel poverty. Yet many of the choices we make - sometimes even without being aware of it - can also say something about us, and about where our real priorities lie.

In JK Rowling's book *Harry Potter and the Chamber of Secrets*, the Headmaster of Hogwarts, Professor Dumbledore, reminds Harry of the importance of choices when he says that 'it is our choices, Harry, that show what we truly are, far more than our abilities'.

At the start of this month, on Ash Wednesday (2nd March), we mark the beginning of the season of Lent. Over the coming weeks leading up to Holy Week and Easter, Christians are encouraged to reflect on what really matters in the light of Jesus Christ, and what motivates the choices that we make.

We recall how Jesus also learned through the choices He had to make. During a time of testing in the desert, the Gospels tell us how Jesus was faced with testing choices. Choices that went to the very heart of who He was, and what He understood God was calling Him to do (Matthew chapter 4, verses 1-11; Luke chapter 4, verses 1-13).

We are living in testing times. Although many things are out of our control, you and I still do have a fundamental choice to make. It is the choice as to how we respond to what happens, to those challenges which confront us.

From a Christian perspective, the litmus test is surely whether our decisions are motivated by love of God and neighbour, or whether they are selfish and unloving. One way or another, our choices will show what really matters to us. For, as Jesus has said: "Where your treasure is, there your heart will be also" (Matthew chapter 6, verse 21).

With all good wishes,

(John Barr, Rector)

COME AND TRY SCOTTISH COUNTRY DANCING AT WALTHAM!

Scottish Country Dancing is an excellent way to stay fit, and exercise the mind as well as the body, while enjoying fun at the same time. We meet in Waltham Village Hall on Thursdays, 7.30 to 9.30 pm. You do not need a partner and there will be plenty of experienced dancers to help you begin.

We are always on the lookout for dancers who may have moved to the area or find they have time to dance again, or for beginners to come along to learn and enjoy. All you need to begin is a pair of soft shoes; men do not need a kilt!

GENERAL NOTICES

TIME TO GET WALKING AGAIN!

At this time of year we start to think about the mud drying up and getting out to walk in the beautiful English countryside again - but where to find new and interesting walks?

Walking in Leicestershire, <https://www.walkinginengland.co.uk/leics> has hundreds of walks to download and print, free: it also has books of walks, details of all the walking groups in the country and much more. Whether you wish to walk on your own or with a group, all the information is there in one place.

John Harris (the custodian of the website) said: "There is so much walking information on the web, but it is difficult to find. Walking in Leicestershire (part of the Walking in England website) has brought it together in one place - so, whether you are walking from home, or away on holiday, you'll be able to find a walk suitable for you".

With walks from half a mile to twelve miles plus long, and a note of suitability for push-chairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the websites and get walking!
