Traffic Issues

The Parish Council is in discussion with Highways over ways of improving traffic problems in the village. Following the first meeting, it was agreed the Council should keep a log of all traffic incidents that contravene current regulations, including HGVs, accidents of all types, speeding, parking, etc. Cllr Thring has agreed to receive and collate reports of any incidents that occur. Obviously he will not be aware of many of the incidents unless they are reported to him. Letter from the Rector

Caring for others in a time of crisis ...?

Dear Friends,

The cost of living crisis is affecting so many aspects of our lives. Whether it is the soaring price of petrol at the pumps, rapidly rising energy bills, or the increased cost of staple food items in the supermarkets, the impact of inflation is felt everywhere.

However, it will be especially hard for those who have least, as low income households have to spend a far higher proportion of income on food and energy. And in rural areas such as ours, the rising cost of travel will be keenly felt by many.

The cost of living crisis - like the pandemic, and climate change - reminds us that we live in an interdependent world, where what happens in one place affects others far away. For example, the war in Ukraine is affecting global food supplies, and the resulting sanctions on Russia are affecting energy supplies and prices. We delude ourselves if we think that we are really independent of others.

In the face of the present crisis, you and I may feel there is little that we can do, apart from looking at savings we might make to our household budgets. Yet there are things we can do in our local communities to share resources, such as transport. And we could support *Melton Storehouse* (www.storehousemelton.org.uk) by donations of food.

We could also support the work of the locally based *Melton and District Money Advice Centre*, which provides help in dealing with debts (www.madmacmoney.co.uk).

Again, we can play our part in encouraging our elected representatives (such as our MP, Alicia Kearns - www.aliciakearns.com) to work for #legislation which targets Government support to those who are most affected by the cost of living crisis.

Those of us who profess to be Christians should need no reminding that our call to care for others flows from our Lord's command to love our neighbour as ourselves.

In the Bible, we see again and again how God is passionately concerned about justice, and how God calls us to show special care for the most vulnerable in our society. That is the way of true blessing, for it is as you and I care for others that we reflect God's love and care. As Jesus says: "Whatever you did for one of the least of these brothers and sisters of mine, you did for me". (Matthew, chapter 25, verse 40).

With all good wishes,

(John Barr, Rector)

We were delighted to welcome villaers old and new to our Platinum Jubilee celebrations at Waltham church over the five days from 1st June.

People enjoyed trying to find their pennants in amongst the Community Bunting (we had about 300 in total!) and the displays and flowers were much admired.

Grateful thanks to all who took part or helped in any way - we raised £400 from donations, which is being sent to the DEC Ukraine appeal.

***** THANK YOU ***
 EATON JUBILEE CELEBRATIONS**

A BIG THANK YOU to all those who contributed and helped with the **"SNAPSHOT OF 70 YEARS OF EATON LIFE"** Exhibition held in St Denys' church as part of the

  Platinum Jubilee   weekend celebrations.

And another big **THANK YOU** to all who came along - making the effort and the event worthwhile and enjoyable. The generous donations over the three days of almost £600 will be shared between the three village organisations.

Although it probably won't have the same impact on the black and white hard copies, I couldn't resist this picture of the sky in Redmile, which was taken (by Kat Watford) at the time of June's super moon. For those who only have access to a hard copy, the sky looks as though it's on fire.

WALTHAM CE PRIMARY SCHOOL

On Friday, 27th May, the children from Waltham CE Primary School took to the playground to celebrate the Queen's Platinum Jubilee. We started the afternoon following tradition by crowning of the King and Queen before the children from Holly and Willow class danced around the Maypole. In between each performance the older children from Sycamore class read out information about the history of the Queen's reign.

Children from Oak and Sycamore class then showed off the dance routine they had been learning with Miss Cheryl. Our Owl Ministers closed the celebrations with a prayer and we all sang the National Anthem.

It was a truly wonderful afternoon, with lots of tea, cake and fun had by all. A huge thank you to all the parents and families for joining us and to the Pre-School children who enjoyed skipping around the maypole with Mrs Hopkins!

God save the Queen
God save our gracious Queen,
Long live our noble Queen,
God save the Queen!
Send her victorious,
Happy and glorious,
Long to reign over us,
God save the Queen!

GENERAL NOTICES

EASTWELL JUBILEE CELEBRATIONS

A fantastic, memorable day!

The picture is of Phil Rathbone, as he prepared to lead us up to light the beacon on Trevor's field overlooking the Vale of Belvoir. If anyone has any photographs of the day/evening, which they wouldn't mind being copied and shown, they can be put into a small album in the church.

The PCC would especially like to thank everyone for arranging for profits from the whole day to be donated to the church. These amounted to an incredible £950 (not quite an exact figure as we're not sure yet how much was paid in electronically). The church is extremely grateful to everyone who helped contribute to this amount.

Another picture from the early evening family party appears below.
