Allotment Tenants renewal information. Horsepool Allotments only

At the Annual Meeting in May 2022, it was agreed to increase the cost of the tenancy fees to £30.00 effective from October 23, as advised on last year's renewal notices. The increase was based on expected increased cost, particularly for the supply of water; however, these increases have not been as high as first indicated. At this year's Annual Meeting in May 2023 the proposed increase was reviewed and it was agreed to reduce the increase at October 2023 down by £5.00. Therefore the renewal fee this October will be £25 and not £30, as previously stated.

Letter from the Rector

Minster Communities - where are we now ...?

Dear friends,

Earlier this year the parishes of our Framland Deanery, together with some from part of a neighbouring deanery, entered into a series of meetings to help us to navigate our way through the formation of Minster Communities in this part of the Diocese.

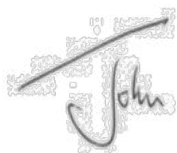

Each church was invited to prepare a 'Storyboard' to share with others something of how we see ourselves. Then individual churches (mainly through PCCs) and Fresh Expressions were invited to fill in a 'Conversation Prompts Workbook' to assist us in providing snapshots of the current realities of our life together. These snapshots cover the nine aspects of Discipleship and Mission, Growing Faith and Schools, Pioneering/New Community, Finance and Generosity, Church Buildings, People and Ministry, Geography, Engagement (with the process of change) and Safeguarding.

By the end of June, the Conversations Prompts results were submitted and these will contribute to discussions about possible Minster Community Groupings. Some options for potential groupings will be sent to all PCCs in the coming weeks who will be invited to respond with any comments and preferences. Through it all, the aim behind Minster Communities is to establish a sustainable and mission-focused future foundation for the worshipping communities across our Diocese.

Bishop Martyn has reminded us that we are sharing together in this process: "The diocese', I know, can feel like a distant, abstract entity to those embedded in parish life, and I know there are fears that Minster Communities are being devised and managed from the centre. But the diocese is all of us - every worshipping community, whatever its size, location or theological tradition - and every role at St Martins House and Bishop's Lodge exists to support you all in your ministry. So, when it comes to forming Minster Communities, the part played by the Parish Transition and Ministry Development Team is to listen, facilitate and support, not to impose. They will help you prayerfully discern what this model will look like in your context so that we all, as part of the Body of Christ in Leicester and Leicestershire, can help to realise the Kingdom of God in the years to come. It is a process in which we support you in identifying and articulating personal and collective strengths, callings and opportunities, and one in which every worshipping community has an equal voice."

Please do keep the process in your prayers. And don't forget that you can find more detailed information and regular updates on the Diocese of Leicester website:

LIVE AT EASTWELL

Annie Keating Band - Saturday, 16th September

Doors open 7.00 pm

Over the years, Annie has been compared with great artists ranging from Lucinda Williams to John Prine but now, in 2023, Keating has found a UK band that takes her talent to a whole new level through undeniably great live shows that deliver unbridled, raucous joy and an infectious sound. Following the success of her eighth full-length album, 2021's Bristol County Tides, Annie toured UK in 2022 - her show in Eastwell being a particular highlight - and she is bringing the full band for a run of autumn '23 uk/Ireland shows. "Tremendous ... Razor sharp rockabilly, sweet country and swampy blues, the band at full tilt". Americana UK.

Jade Helliwell - Saturday, 18th November. Doors open 7.00 pm

Jade Helliwell is a singer-songwriter from West Yorkshire and winner of multiple British Country Music Awards, including best female, video and song of the year. SORRY!

We said we would make mistakes this first year - and learn from them. Well, we have! To those we thanked on the back page of the programme, it should have said **Dave Watson**, not Dave Gardener (our only excuse - Dave is a landscape gardener).

Dave, we offer our sincere apologies.

And Angela Shouler should have read **Angela Hewson**.

Again, our sincere apologies to you.

RIDE & STRIDE DAY Saturday, 9th September

Ride & Stride is a sponsored event on the second Saturday in September every year, and is the single largest source of income for the Leicester Historic Churches Trust. It's also a church open day and a great day for getting out and about in Leicestershire.

Ride & Stride 2022 raised £34,559, half of which goes to the church of the rider's/walker's choice, the remaining half to the HCPT. The Trust's share of the funds raised, which includes Gift Aid claimed by the Trust, is used to give grants to churches and chapels.

They fund a wide range of projects, including roof repairs and renewals (and roof alarms), repointing of stonework, conservation of organs and stained glass windows, and projects to enable greater community use of the building.

If you would like to take part and raise some funds for your local church, sponsorship forms will be available - please get in touch with any member of your PCC. Forms may also be found nearer the time in your church.

One last remark: the sun almost invariably shines on Ride & Stride Day
