July 2024 News

Observant parishioners will have noticed a set of poles sprouting up from the roadside in Eaton, Goadby Marwood and Eastwell.

Fear not, it is not an alien attack but rather to host a mobile Vehicle Activated Sign to be moved around the sites in a further attempt to curb speeding motorists.

There is no single answer to this permanent and persistent problem but the Parish Council is determined to do what it can to mitigate the problem.

Leicestershire CC have just redone their traffic information at the following link:

<https://resources.leicestershire.gov.uk/roads-and-travel/traffic-management-schemes>

and it gives more information on what is possible.

And the Parish Council welcomes Andrew Robertson as a new Councillor. He can be contacted at

Letter from the Rector

Praying for our leaders ...

Dear friends,,

This month begins with the General Election on 4th July. Whoever is elected, and which ever party (or parties) forms the next government, there will certainly be many changes. For example, we shall have a new MP elected to serve in our new constituency of Melton and Syston.

As well as all the changes, the General Election also comes at a challenging time for our world. A few weeks ago, when calling the General Election, the Prime Minister Rishi Sunak declared: 'Now is the moment for Britain to choose its future. This election will take place at a time when the world is more dangerous than at any time since the Cold War'. And in response, Labour leader Keir Starmer addressed voters, stating 'It will feel like a long campaign but, no matter what else is said and done, that opportunity for change is what this election is about'.

At this time of change and challenge, what - if anything - do we hope for from our newly elected leaders? For example, do they have a vision for our nation which articulates what a good society should look like, and policies which can then turn that vision into reality?

Only time will tell, but whoever is in government will certainly face considerable financial constraints and have to make many difficult choices.

Paul Woolley (CEO at the *London Institute for Contemporary Christianity*) recently wrote that "the state of our politics reflects the state

of our souls. ... Politics is about organising our common life, and participating in it is an act of neighbourly love".

How might we participate? As well as exercising our democratic right to vote, we can pray for our nation and its leaders. As St Paul puts it, "The first thing I want you to do is pray. Pray every way you know how, for everyone you know. Pray especially for rulers and their governments to rule well so we can be quietly about our business of living simply, in humble contemplation. This is the way our Saviour God wants us to live" (1 Timothy 2.1,2 *The Message*).

Here is a prayer for our nation and our leaders:

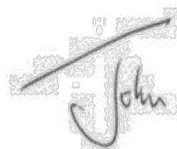

God of hope, in these times of change and challenge,

Unite our nation and guide our leaders with your wisdom.

Give us courage to overcome our fears,
And help us to build a future in which all may prosper and share;

Through Jesus Christ our Lord. Amen

With all good wishes,

(John Barr, Rector)

EASTWELL HISTORY GROUP

EASTWELL HISTORY GROUP

Open Day

The 'Lord Granby' open day was held on 2nd June and was well attended. We were pleased that, during the week before, we had re-patriated the iron ore tram from Amberley Museum in Sussex on a long-term loan. This enabled us to display the purpose of the mineral railway and its locomotive. Thanks go to Pat Duffin and his team for their support in this. We were blessed with good weather and the event went some way to illustrate the potential for a museum facility on the site. Discussions continue with Leicestershire Museums and Galleries. We raised over £400 for the restoration project, which is still ongoing.

100 Club

The June draw was made. This £5 per month 100 Club raises funds for the continued restoration of 'Lord Granby' and the associated works. This month's successful prize winners were:

1st prize	£30	No 15	Ray Hewson
2nd prize	£15	No 9	John Wood

Future Events

- Thursday, 5th September: A talk by Matthew Morris of ULAS on the excavations recently undertaken at Leicester Cathedral.** Over the past three years, archaeologists from University of Leicester Archaeological Services (ULAS) have been working with Leicester Cathedral to reveal the story of the 9009 year old church and the Roman city buries beneath it. The excavations, carried out before construction of a new Heritage Learning Centre in the Cathedral Gardens, have resulted in a remarkable archaeological archive of regional and national significance. Discoveries include a highly unusual, continuous 850 year sequence of burial activity, as well as Anglo-Saxon, Roman and prehistoric activity dating back over 15,000 years. The results have the potential to tell powerful and engaging stories about Leicester's past, which will capture your imagination.

EASTWELL HISTORY GROUP, cont.

- **Thursday, 10th October: A talk by John S Thomas of ULAS on the Iron Age hill fort at Burrough Hill.** Burrough Hill is an Iron Age hillfort seven miles south of Melton Mowbray. The site commands views over the surrounding countryside for miles around. There has been human activity in the area since at least the Mesolithic, and the hillfort was founded in the early Iron Age (1200 BC to 500 BC). Various excavations have recorded parts of the ramparts, a 'guard chamber', Iron Age/early Roman pits in the fort's interior and roundhouses in the northern part of the fort. John will explain in detail the work that has been undertaken in recent years to learn more about this important site.
- **Saturday, 18th January 2025: Our annual pub quiz will take place in Eastwell Village Hall at 7.00 pm. Places are limited so please make sure you book before the event.**

More Aspects of Eastwell

This new book is now available at £5. It is a record of the history of the village since 2000, as well as incorporating additional information from the previous century. It includes biographical records from two village residents, one closely associated with Eastwell Iron Ore Co and the other, a wartime evacuee from London. This supplements the original *Aspects of Eastwell* which is still available at £9. Buying the two costs £12, a discount of £2.
